

## Report for Jan-Feb 2026

1. The construction of the new dining hall and platforms has been completed. Thanks to partner organizations and anonymous donors, the children now enjoy a welcoming and comfortable space to receive their daily meals in a transformed environment.
2. Gerard begins five months of service. The Spanish student is integrating into children's activities and community life in Camoapa, strengthening the spirit of solidarity that defines our mission in 2026.
3. Start the 2026 school year off right! We're providing uniforms, shoes, and school supplies so our children in Camoapa have the tools they need to succeed and make the most of every day of school.
4. We have forged a strategic alliance with the University of Jaén. Spanish students will contribute their talent through professional internships, fostering the holistic development of the participants and strengthening our international collaborative ties.
5. Children from rural communities and the main campus celebrate the joy of sharing. Thanks to anonymous volunteers, every Tuesday pizza becomes the driving force for community and healthy recreation.
6. January 2026: We strengthen the institutional commitment to guarantee comprehensive development and well being of Nicaraguan children.
