BAISS Schools Overall

Fourteen Clubs Golf Academy

Introduction

A Word From Coach Georgette Rolle-Harris

“Playing golf on my collegiate team was one of the best experiences I have had as a golfer. I wish I had the opportunity similar to our global counterparts to play golf on my middle school or high school team to improve my chances of being successful on the LPGA Tour.

I want this opportunity to be available to our players here. We all know have the talent, but if it only required talent.....you can finish this sentence with an unlimited amount of endings. We need to complete the formula with other ingredients:

1. Talent
2. Early access to exposure
3. Early access to competition With golf not only in the schools, but in the BAISS schedule, the powerhouse of sports, we can complete the formula.”

//

*A Changed Landscape for Our
Country, Together.*

*Coach Georgette Rolle-Harris, Co-Founder
14 Clubs Golf Academy*

About 14 Clubs Golf Academy

At Fourteen Clubs, we believe that golf and its values can transform our country's landscape. We are grateful to our partners and schools for their unwavering support in spreading golf throughout our community.

In 2020, we pledged to change the country by creating a new generation of junior golfers. By integrating golf into the Ministry of Education's school curriculum, we have sparked family conversations about golf and fostered a love for the game among children from all backgrounds. This initiative has led to a great mix of participation from public and private school students.

We are committed to demonstrating the benefits of learning golf, changing perceptions from it being a mere recreational activity to a valuable life skill. Through our initiatives, including school curriculums, encouraging more girls to play, and providing opportunities for all players, Fourteen Clubs Golf Academy is making significant strides in balancing life skills taught through sports.

We remain the driving force behind the growth of golf in The Bahamas, dedicated to our mission and vision, and bringing about positive change throughout the country.

Junior Golf Around the World

Junior golf has seen remarkable growth globally, with increasing participation and enhanced development programs. Around the world, initiatives like the Future Champions Golf (FCG) Tour and the US Kids Golf tournaments provide young golfers with platforms to compete at high levels, fostering talent from a young age. Countries like Thailand, China, and the United States have been particularly successful, regularly producing junior golfers who excel in international competitions .

In the Bahamas, the growth of junior golf has been spearheaded by passionate individuals and organizations dedicated to nurturing young talent. The Bahamas Golf Federation (BGF) has been instrumental in reintroducing golf into the school curriculum, promoting the sport at the grassroots level (Bahamas Golf Federation) . The efforts of trailblazers like Georgette Rolle have led to the establishment of structured programs, such as the Fourteen Clubs Golf Academy, which uses innovative methods like the Operation 36 model to keep juniors engaged and progressing in the sport .

These combined efforts have not only increased the number of young golfers but have also enhanced the quality of training and competition available to them, setting the stage for a bright future for junior golf both globally and in the Bahamas.

A History of The School Championships

The first school golf championships were held in March of 2021, fielding 200+ players, becoming the largest junior golf event in the country. With golf just being added to the school curriculum in the Fall of 2020, students prepared from the second week of January through the championships. We saw athletes who only played the game for 8 weeks were able to show that they could compete amongst the athletes who played for years.

Success of the School Championships

The school championships have exceeded expectations, with over 300 players competing annually. Highlights include:

- Public primary school students now rank among the best in the country.
- Increased parental interest in golf for their children.
- Schools recognizing golf as a valuable sport for students not excelling in other areas.
- Enhanced opportunities for student-athletes to receive collegiate financial support through the Ministry of Education and Sports.

BAISS Schools Overall

Overview

The 2024 Interschool Golf Championships showcased outstanding performances from several top schools, with many continuing their legacy of excellence from previous years.

St. Andrew's International School led the Lower Primary Boys division with a first-place finish, continuing their dominance in this category. Windsor School also performed exceptionally well, securing first place in the Junior Boys, Junior Girls, Senior Boys, and Senior Girls divisions. Their consistent top rankings highlight their commitment to fostering golf talent and maintaining a competitive edge.

Queen's College continued to be a formidable competitor, achieving second place in both the Junior Boys and Senior Girls divisions, and securing top positions in multiple other categories. Their history of excellence was evident as they maintained high performance across the board.

Bahamas Global Academy, in just their second year of competition, made impressive strides, with notable second-place finishes in the Junior Girls and Junior Boys divisions. Newcomers Poitier Golf School and Home Schooling also made significant impacts. Poitier Golf School clinched first place in both the Lower Primary Girls and Lower Primary Girls individual divisions, while Home Schooling secured first place in the Upper Primary Girls team and individual categories.

Overall, the 2024 championships highlighted the strength and depth of golf programs across various BAISS schools that is a push for continued growth support of the sport.

2024 Championship Leaderboard: Overall Placements and Performance

In 2024, several schools excelled in the golf championships, with St. Andrew's, Windsor School, and Queen's College leading the pack. Both seasoned competitors and new entrants showcased their skills, promising an exciting future for school golf.

Teams

+1 To Par, 28 Total
- Windsor School - **2nd Position**
+3 To Par, 30 Total
- Windsor School - **3rd Position**
+4 To Par, 31 Total

Understanding Golf Scoring and Placement Significance: In golf, players aim to complete each hole in the fewest number of strokes possible. The term "to par" indicates how many strokes over or under par (the expected number of strokes) a player or team completes the course. A lower score relative to par indicates better performance.

Looking Ahead

Our goal is to ensure that every student has the chance to experience and excel in golf. Our focus at Fourteen Clubs Golf Academy is to enhance the golf programs for all BAISS schools ahead of next year's championship games. Increasing participation, especially among girls, and achieving a balanced representation in the sport is a top priority. By integrating golf into more school curriculums and expanding competitive opportunities, we will cultivate a new generation of golfers.

BAISS Calendar and Plan

The BAISS golf program includes 15 schools divided into four divisions: Junior Boys, Junior Girls, Senior Boys, and Senior Girls. Each division consists of 15 teams with 6 players per team, totaling 60 players per division and 240 players in the league. The format for the competition is Best Ball, and all matches will be played on a Par 3 facility.

Competition Rounds:

Rounds 1-5: Junior Boys, Junior Girls, Senior Boys, and Senior Girls from randomly assigned schools (1-15) must complete their matches by February 20th.

Rounds 6-10: Schools are grouped by performance, with the top three teams competing in Round 6, followed by teams ranked 4-15 in subsequent rounds. All rounds must be completed by March 1st.

Semi-Final Rounds: The top 10 teams will compete in two rounds of Best Ball, to be completed by March 10th.

BAISS Championships: The top 6 teams will compete on March 17th and 18th in Individual Stroke Play, with the top 3 of five scores contributing to the team's total.

National High School Championships: The championships will be held on March 19th in Individual Stroke Play, with the top 3 of five scores determining the winners.

Key Dates:

BAISS Championships: March 17th and 18th

National High School Championships: March 19th

Frequently Asked Questions

How many players are needed?

Each school needs 20 players (5 per division).

How do you get more players?

Refer to the recruitment section for detailed strategies.

How do you develop your current players?

Development is facilitated through summer camps, clinics, and drive/chip/ putt competitions, among other opportunities listed in the program.

What is the role of the BGF, Fourteen Clubs, Golf Bahamas Short Game, and US Kids Golf?

BGF: The governing body of amateur golf in The Bahamas.

Fourteen Clubs: Operates junior golf programming and creates opportunities for all junior golfers.

Golf Bahamas Short Game: An organization that creates golf spaces at schools to grow the game.

US Kids Golf: The largest junior tour in the world, hosting 18 events annually through Fourteen Clubs. Players earn opportunities for global U.S. Kids events and the AJGA, the most elite junior golf tour in the world.

What does it take to add golf to the curriculum?

Schools need to be willing to add four weeks of golf to their physical education activities.

What is the Train the Trainer program?

Training sessions will be scheduled, and schools can select sessions for their PE staff, who will need to certify annually for the curriculum.

How is equipment provided?

Equipment can be purchased or leased from the program.

What is the School Scrimmages plan?

Matches are best scheduled between January and March. Each match will include three to four schools, ensuring each school competes at least once, ideally twice, against others.

Recruitment Strategy

To increase this number, the school is implementing new recruitment strategies, such as:

A. Golf curriculum in each school/system. Exposure is key to building interest and exposing junior golfers to the game.

B. Golf teams for each school. This is key to promote competition to develop golf student athletes. This will be a key talent pool source.

C. Consistent transition to the golf course programs. Students who play for their golf teams will naturally transition to the golf course. Others who don't transition to teams, may simply transition to the course to become avid social golfers that continue to represent the excellence of their school training. Either way, A has done its job to promote interest in the game.

Benefits of Junior Golf Programs

The overarching vision is to transform the sports landscape. Currently, many sports instill valuable life skills but often fall short of promoting holistic societal betterment. Golf, with its core value of integrity, teaches students to prioritize ethical conduct over winning at any cost. This lesson in sportsmanship cultivates leaders who embody fairness and maturity. Moreover, golf and other less aggressive, more refined sports offer a balanced approach to athletic development. These sports prepare our future leaders with a demeanor suited for business and professional environments.

How 14 Clubs Academy Can Help

We help schools establish and maintain golf programs, offering guidance on organizing school scrimmages and matches. Matches are scheduled from January to March, with each match including three to four schools, ensuring comprehensive competition opportunities. Fourteen Clubs continues to support the development of young golfers through summer camps, clinics, and competitions like drive/chip/putt events. These initiatives provide continuous growth opportunities for students beyond the school curriculum.

Tailored Curriculums

Fourteen Clubs customizes golf curriculums to align with your school's needs and schedule.

Training for P.E. Teachers

We provide training for your PE teachers, enabling them to deliver golf curriculum effectively, regardless of their prior golf experience.

Comprehensive Video Archive

An extensive archive of video content will support PE teachers in delivering engaging and informative lessons.

Provision of Equipment

We assist schools in acquiring the necessary tools for on-site access to clubs and practice stations.

By partnering with Fourteen Clubs, schools can offer a robust and well-rounded golf program that not only teaches the game but also instills valuable life skills such as integrity, sportsmanship, and strategic thinking.

More Ways to Support

Your generosity helps provide training, competitions, and facilities to nurture future golf talent. Contact us to learn more about sponsorship opportunities and how you can make a difference.

Ready to Get Golfing?

We invite you to join us in fostering the next generation of golf champions. Your support can make a significant difference in the lives of our young athletes, helping them reach their full potential both on and off the golf course. To learn more about how you can support your school's golf program, please contact us through any of the following:

More FAQs

Where can I find top-tier golf courses in The Bahamas?

The Bahamas offers several top-tier golf courses across its islands. In Nassau, there are four premier golf courses. Exuma features the renowned Emerald Bay at Sandals. Abaco is home to The Abaco Club at Winding Bay and Bakers Bay Golf and Ocean Club. Additionally, Eleuthera offers several high-quality golf courses for enthusiasts.

What collegiate tournaments are available for observation?

The Ocean Club and Albany have hosted collegiate golf events, providing observation opportunities for junior golfers.

Which professional tournaments are notable?

The Hero World Challenge is a significant event in the professional golf calendar.

What national team opportunities are available?

The Caribbean Amateur Junior Golf Championships (CAJGC) provide substantial opportunities for national team involvement.

What are potential job opportunities in golf?

Careers in golf include roles such as golf instructors, course managers, and sports marketers, as well as opportunities in golf course design and maintenance.

What U.S. junior golf tours are available?

Tours like the Future Champions Golf (FCG) Tour and the US Kids Golf Tour offer competitive platforms for junior golfers.

What international opportunities are available?

Competitions such as the CAJGC (annual) and the R&A Junior Open (biennial) provide international exposure and experience.

How is knowledge of golf useful in business and personal development?

Golf is highly valued for networking and relationship building in business. It fosters patience, strategic thinking, and ethical behavior, essential traits for personal and professional development.
