ABOUT US AND OUR MISSION

Our Mission

Founded in 2006 by Amal Zniber and Abdelmajid Dahbi Skali, our organization is dedicated to promoting dignity, equality, and respect for all, especially for school children and women in the most remote regions of Morocco. We strive to reduce vulnerability through educational and economic opportunities.

Our Values

- ✓ Gender Equality
- ✓ Equal Opportunities and Access
- ✓ Tolerance and Solidarity
- ✓ Community Participation

Our Actions

- ✓ Renovation of Schools and Sanitation
- ✓ Women's Training Center
- ✓ Teaching Tools
- ✓ Sustainable Environments
- ✓ Community Programs

Community Engagement

We are committed to involving all community stakeholders in identifying needs, determining solutions with local resources, and working together to implement actions.

Our Achievements

AMIS DES
ECOLLES

Women's Empowerment Programs

- Training in crafts, sales, and computer skills (2040 hours benefiting 240 women)

ECOLLES

Objective

To quickly rebuild the two boarding schools in Asni that were destroyed by the earthquake in September 2023.

Estimated completion date: August 2025..

Urgency

Today, 800 children are living in temporary facilities converted into dormitories and living spaces, with limited resources. The children now return home only every six weeks.

Reconstruction Projects

Of the two boarding schools in Asni, to meet new seismic standards, accommodating a total of 1,000 students on a single campus that will include schools, green spaces, and sports fields. Budget: 23.5 million MAD.

How To Contribute

Financial Contribution

We are seeking financial contributions to help cover the reconstruction costs of two boarding schools, which will accommodate 1,000 students and provide them with a safe and supportive environment for their education starting in September 2025.

In-Kind Donations

We accept donations of materials, equipment, or services that align with the needs of the projects (construction materials, kitchen equipment, dining halls, dormitories, restrooms, bathrooms...), IT equipment, and books for study rooms and libraries...
