A Global Network

## Our network

Somos parte de la red global Teach For All, presente en más de 60 países.

## Programs

Entrenamos a docentes y autoridades escolares del sistema público con un enfoque en lectoescritura y habilidades socioemocionales.

## Comunidad

Colaboramos con el ecosistema educativo local, apoyados por aliados comunitarios, así garantizamos la sostenibilidad a largo plazo.

## Medición

Todas nuestras decisiones se basan un análisis exhaustivo de la data que recolectamos, además, contamos con nuestra propia revista científica indexada.

Gracias al apoyo de mi profe retomé mi sueño de terminar la escuela después de 6 años y me gradué con el mejor promedio.

Grace García, estudiante.

Enseña Ecuador hace un gran trabajo en favor de la educación. Su iniciativa de programas de tutoría y desarrollo profesional es altamente prometedora.

A Global Network

## Our network

We are part of the Teach For All global network, present in more than 60 countries.

## Programs

We train teachers and school authorities in the public system with a focus on literacy and socio-emotional skills.

## Community

We collaborate with the local educational ecosystem, supported by community partners, thus ensuring long-term sustainability.

## Measurement

All our decisions are based on an exhaustive analysis of the data we collect, and we also have our own indexed scientific journal.

Thanks to my teacher's support, I resumed my dream of finishing school after 6 years and graduated with the highest average.

Teach Ecuador does great work in education. Its mentoring and professional development program initiative is highly promising.
