BACKGROUND:

The poverty situations in Ugandan context, reflects in the Butebo District. The families in slums and rural areas are normally large and often face the problems and the earning members of the family unable to cope up with the situations. Sometimes they may not get work to earn. Eventually they migrate to other places in search of livelihood or starve to meet death or disease. The struggle of the poor starts in the womb. The child in the womb suffers from the consequences of malnutrition in the mother.

The families that are living in slum areas of Maizimasa village are daily wages labourers. They are living in utter poverty. They are unable to fetch their square meal a day. Some of the parents admitting their children in the private schools. But they are unable to continue their children because they are not able to pay the fees in the school. That's reason the children are being dropped from the school.

THE NEED

Poverty has always been recognized as the major cause of disease, death, and disability. Currently, the World Health Organization (WHO) came out with the statement that Poverty is the 'ruthless killer'. Large families in rural areas often face these problems and the earning members of the family unable to cope-up with the situations and survival becomes difficult. The relief often comes in the form of death leaving the children as orphans and destitute. These children starve without shelter, food and clothing and roam along the streets.

THE GLOBAL GOALS FOR SUSTAINABLE DEVELOPMENT

One of the important The Global Goal is by 2030, ensure that all girls and boys have access to quality early childhood development, care and preprimary education so that they are ready for primary education. The burden lives in the citizens who can afford to support children who are in desperate need and helping the children to pursue their education.

TARGET GROUP OF THE PROJECT:

CO-ORDINATION:

The Government requests NGO's to undertake programmes of Homes for poor, orphan and needy children. Our Government's Policy is to encourage the voluntary agencies in undertaking programmes to fight against the illiteracy and dropout children. Even the Local communities and agencies make requests as per the need in their local areas.

PRINCIPLES AND VALUES:

Care, education and support should be governed by the following principles and values:

Respect: For human rights, ethics, confidentiality, informed consent, privacy, and individual dignity should be maintained. Practices apply equally to poor and orphan children as to other individuals. Fighting discrimination, enhancing respect of individual autonomy and human dignity and pursuing informed consent are all relevant to orphans.

Equality: Affordable care of acceptable quality should be provided to all people regardless of gender (men and women), age, race, ethnicity, and place of residence. More attention should be given to those groups of the people that have more problems to access care: orphans, girls, street children, the uneducated and the poor.
