### Service Locations:

Currently, Addis Ababa City Administration, Amhara and Oromia regions are project locations. However, the organization does not have defined border and ethnic area for project implementation in Ethiopia.

### Beneficiary Landscape:

- **Primary Beneficiaries:** Women, Children and Youth including Adolescents.
- **Secondary Beneficiaries:** Beneficiary Families and Surrounding Community.

### Establishment:

Ethiopia is one of the countries with the weakest social infrastructure, widespread poverty and rapid population. Our country is a country of teenagers and young people. As a result, these groups are exposed to a variety of interrelated problems: addiction, unemployment, HIV / AIDS, harmful traditional practices, gender-based violence, and reproductive health problems. BDO is established in October 2019 and licensed by the Federal Civil Society Agency under Registration No. 4509. It is a board-led, non-governmental community service organization.

### Vision:

The vision of BDO is to see women, children, adolescents and young people live healthy, happy and decent lives in Ethiopia.

### Mission:

The mission of BDO is to enable women, children and young people in need of special support to receive health, education and employability support and job and life skills training to develop motivation and self-confidence.
