Project Title: Education & Meals for Needy Children in Bal Sarathi Academy (Kathmandu)

Project Overview:

Bal Sarathi Academy, with support from United Foundation-Nepal (UFN), is providing free education and daily meals to 100+ marginalized children in Kathmandu. Many of these children are at risk due to poverty and homelessness. This project ensures they receive quality education, proper nutrition, and a safe environment to grow and learn.

Problem Statement:

Thousands of children in Nepal lack access to basic education and daily meals. Many end up on the streets, exposed to unsafe conditions like child labor, exploitation, and malnutrition. Without intervention, they face a future of poverty and hardship.

- Provide free education to 100+ children.
- Offer nutritious meals daily.
- Ensure safe learning conditions for marginalized children.
- Support children with school materials, transportation, and hygiene care.
- Promote long-term educational and social development.

Implementation Plan:

- Daily education and meals at Bal Sarathi Academy in Kathmandu.
- Distribution of school supplies and necessary materials.
- Health and hygiene awareness programs.
- Collaboration with local communities and donors for sustainability.

- Meals & Nutrition: \$4,500
- Educational Materials: \$2,500
- Transportation & Logistics: \$1,500
- Hygiene & Health Support: \$1,000
- Miscellaneous & Emergency Needs: \$500
