

RISE & THRIVE: EMPOWERING SCHOOL DROPOUT GIRLS & BOYS IN MOYO FOR SELF-RELIANCE

Amani Transformational Foundation is committed to transforming the lives of young school dropout girls and boys by equipping them with essential life skills such as tailoring, liquid soap making, and baking. Through hands-on training and mentorship, we empower them to achieve self-reliance and secure meaningful self-employment opportunities. This initiative aims to break the cycle of dependency, fostering independence and a sustainable future for these young girls.

SUPPORT US

Your support is invaluable in our mission to break the cycle of poverty and dependency among young girls. By equipping them with practical skills in tailoring, soap making, and baking, we are not just transforming lives, we are creating a future where they can thrive independently. Join us in empowering the next generation with the tools they need to build sustainable livelihoods and brighter futures.

WHAT THEY STAND TO GAIN

- **Skill Development:** Hands-on training in tailoring, liquid soap making, agriculture and baking to equip them with practical, income-generating skills.
- **Financial Independence:** Ability to start small businesses or secure employment, reducing reliance on others.
- **Boosted Confidence & Self-Worth:** Empowerment to take charge of their futures and believe in their potential.
- **Sustainable Livelihoods:** A chance to earn a stable income and support themselves and their families.
- **Community Transformation:** Becoming role models and inspiring other young girls to strive for self-reliance.
- **Reduced Poverty & Dependency:** Breaking the cycle of economic vulnerability by fostering entrepreneurship and self-sufficiency.
