MAKENI*

**Subject: Request for Support – Urgent Repairs Needed at Church of God Primary School,
Makena**

Dear Sir/Madam,

We are writing to formally grant **Health and Education Alert (HEAT) Inc.**, a US-based non-profit organization, the full permission and authority to raise funds on our behalf for much-needed repairs at the **Church of God Primary School**, located on Azzolini Highway in Makeni, Northern Sierra Leone.

Founded decades ago, Church of God School is one of the oldest primary schools in the region. We have proudly served generations of students who have gone on to contribute meaningfully to our community and beyond. However, due to ongoing economic hardship, a lack of government support, and dwindling local resources, our school buildings have fallen into serious disrepair.

Cracked walls, leaky roofs, broken furniture, and insufficient classroom space are making it increasingly difficult for our teachers to deliver quality education — and even harder for our students to learn. These children, many from low-income families, deserve better.

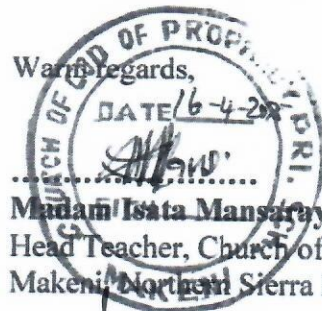

We are therefore thrilled to partner with **HEAT Inc.** as they work to list our school on the **Global Giving Crowd Funding Platform**, to help us secure funding for urgent renovations. We fully endorse and support this initiative and commit to working alongside **HEAT Inc.** and all future donors to ensure transparency, accountability, and impact.

Your support will go directly toward creating safe, clean, and inspiring classrooms where children can thrive, not just today, but for future generations. By investing in our school, you are investing in the future of Sierra Leone — in educated, empowered young minds who will build stronger families, communities, and a better nation.

We humbly appeal to your generosity. Please join us in our mission to restore dignity and hope through education. Every contribution counts and brings us one step closer to transforming our pupils' learning environment.

With deep gratitude, we remain hopeful for your support.

Warm regards,

.....
Madam Isata Mansaray
Head Teacher, Church of God Primary School
Makeni, Northern Sierra Leone
