

Food initiative for Ukrainian families

Project Description

Implementer: Gate To Ukraine

Project Location: Frontline areas and combat zones

Project Beneficiaries: Ukrainian families affected by Russian aggression who are in need of food

Project Timeframe: 2023–2026, the project will continue

PROJECT GOAL AND OBJECTIVES

The goal of the project is to provide emergency food assistance to vulnerable populations affected by the full-scale war in Ukraine, as well as to support their basic food security and reduce humanitarian vulnerability.

PROJECT OBJECTIVES:

- to provide food packages to internally displaced persons (IDPs), large families, elderly people, and families with children affected by the war;
 - to cover the basic food needs of households that have lost their sources of income or are facing difficult living conditions;
 - to reduce the risks of malnutrition and deterioration of health among vulnerable population groups;
 - to support households living in war-affected communities or those with limited access to food.
-

PROJECT ACTIVITIES:

- preparation and distribution of food packages for 3,500 families living in difficult circumstances;
 - organization of food assistance distribution through distribution points or delivery to communities;
 - conducting needs assessments and selecting the most vulnerable households;
 - coordination of logistics, procurement, and storage of food supplies.
-

ACHIEVED RESULTS:

- 3,500 families received food assistance;
 - basic food needs of thousands of beneficiaries were covered;
 - improved food security among vulnerable population groups;
 - reduced financial burden on households during wartime.
-

OUR EXPERIENCE:

- experience in providing humanitarian assistance to populations affected by the war in Ukraine;
- work with internally displaced persons and vulnerable population groups;
- collaboration with local communities and partners.

GROCERY BOX PROJECT

Food kits are a charitable initiative by our foundation aimed at providing a basic supply of food to people who have found themselves in difficult circumstances due to the Russian invasion.

This set consists of food items that we believe are the most essential for a family's diet.
