S TO SUCH*

*At Zoé we do not count blood pressure measurements, medication dispensing and other activities.

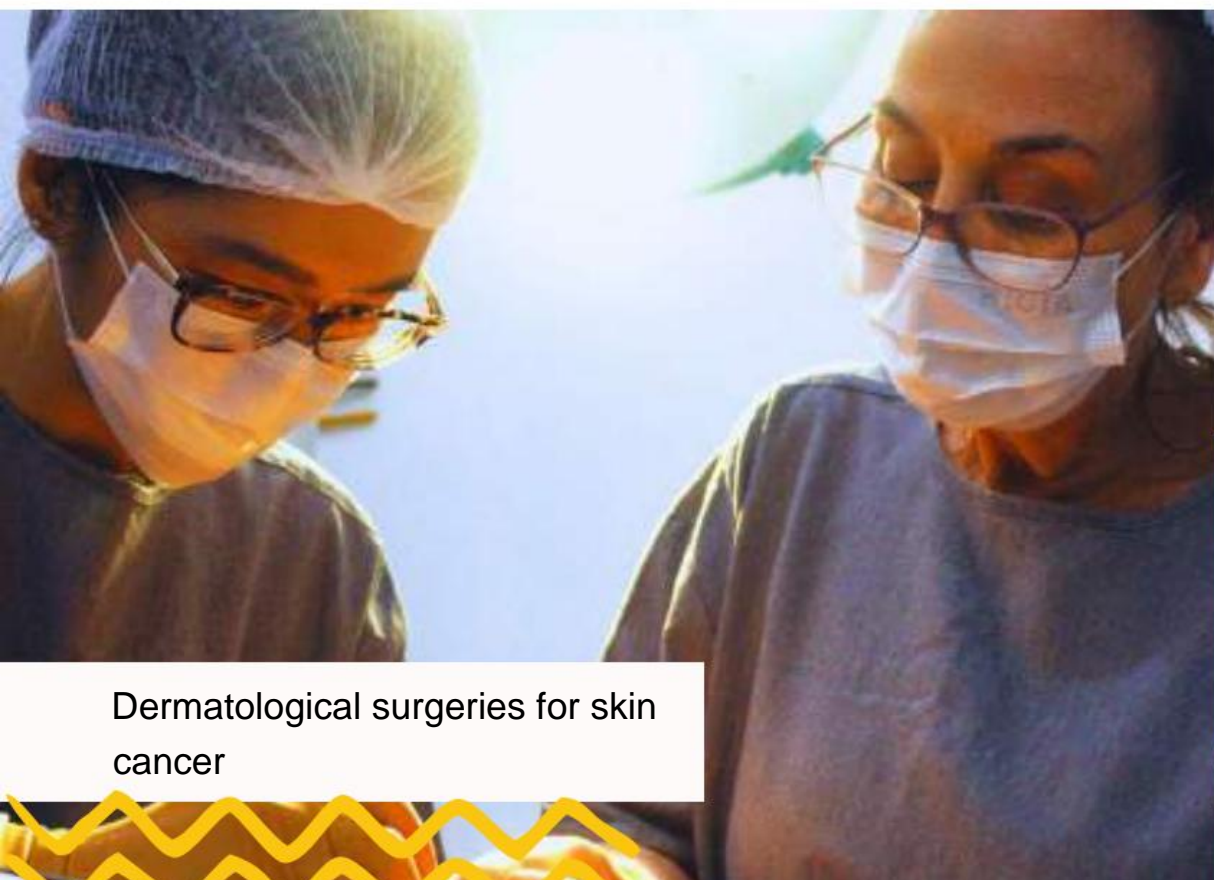

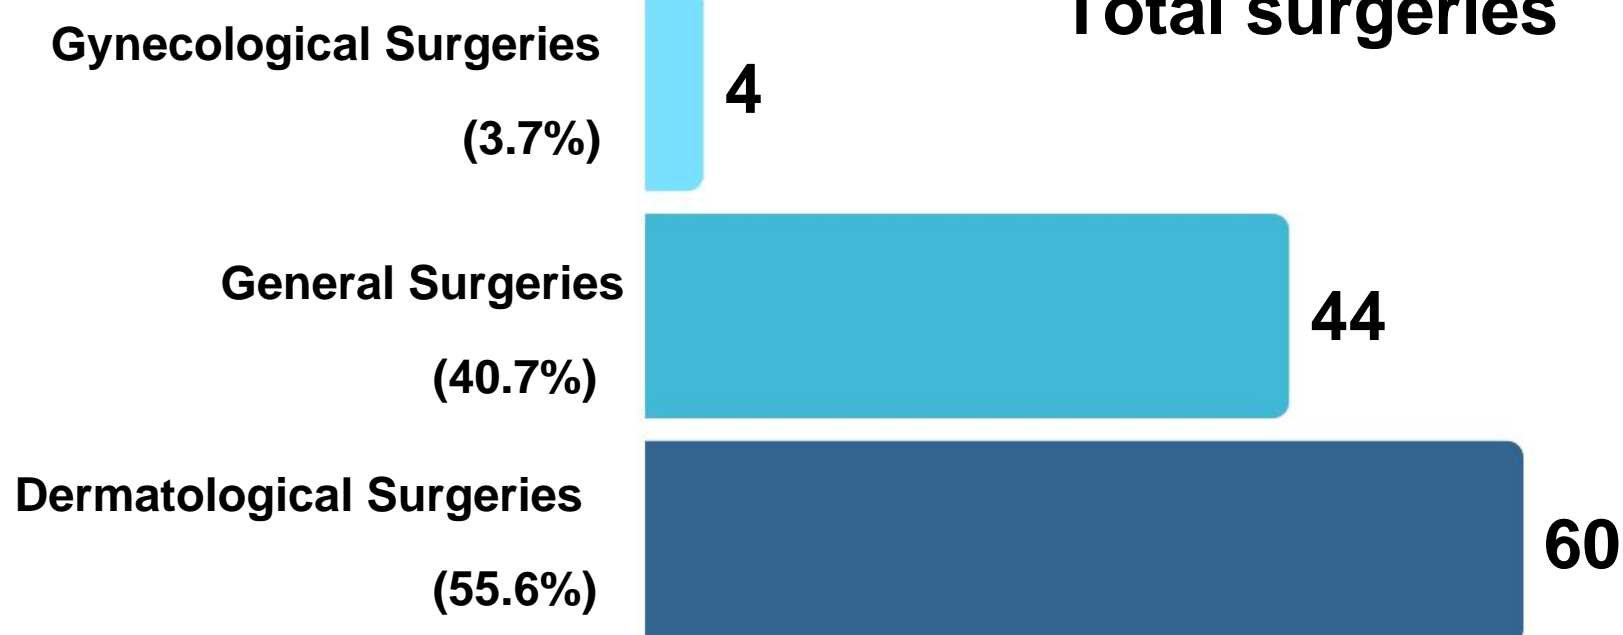

In addition to the hospital, we provide clinical care to 3 indigenous communities

3 SPECIALTIES, 1 PURPOSE:

TAKING CARE OF THOSE WHO TAKE CARE OF THE FOREST

108

Total surgeries

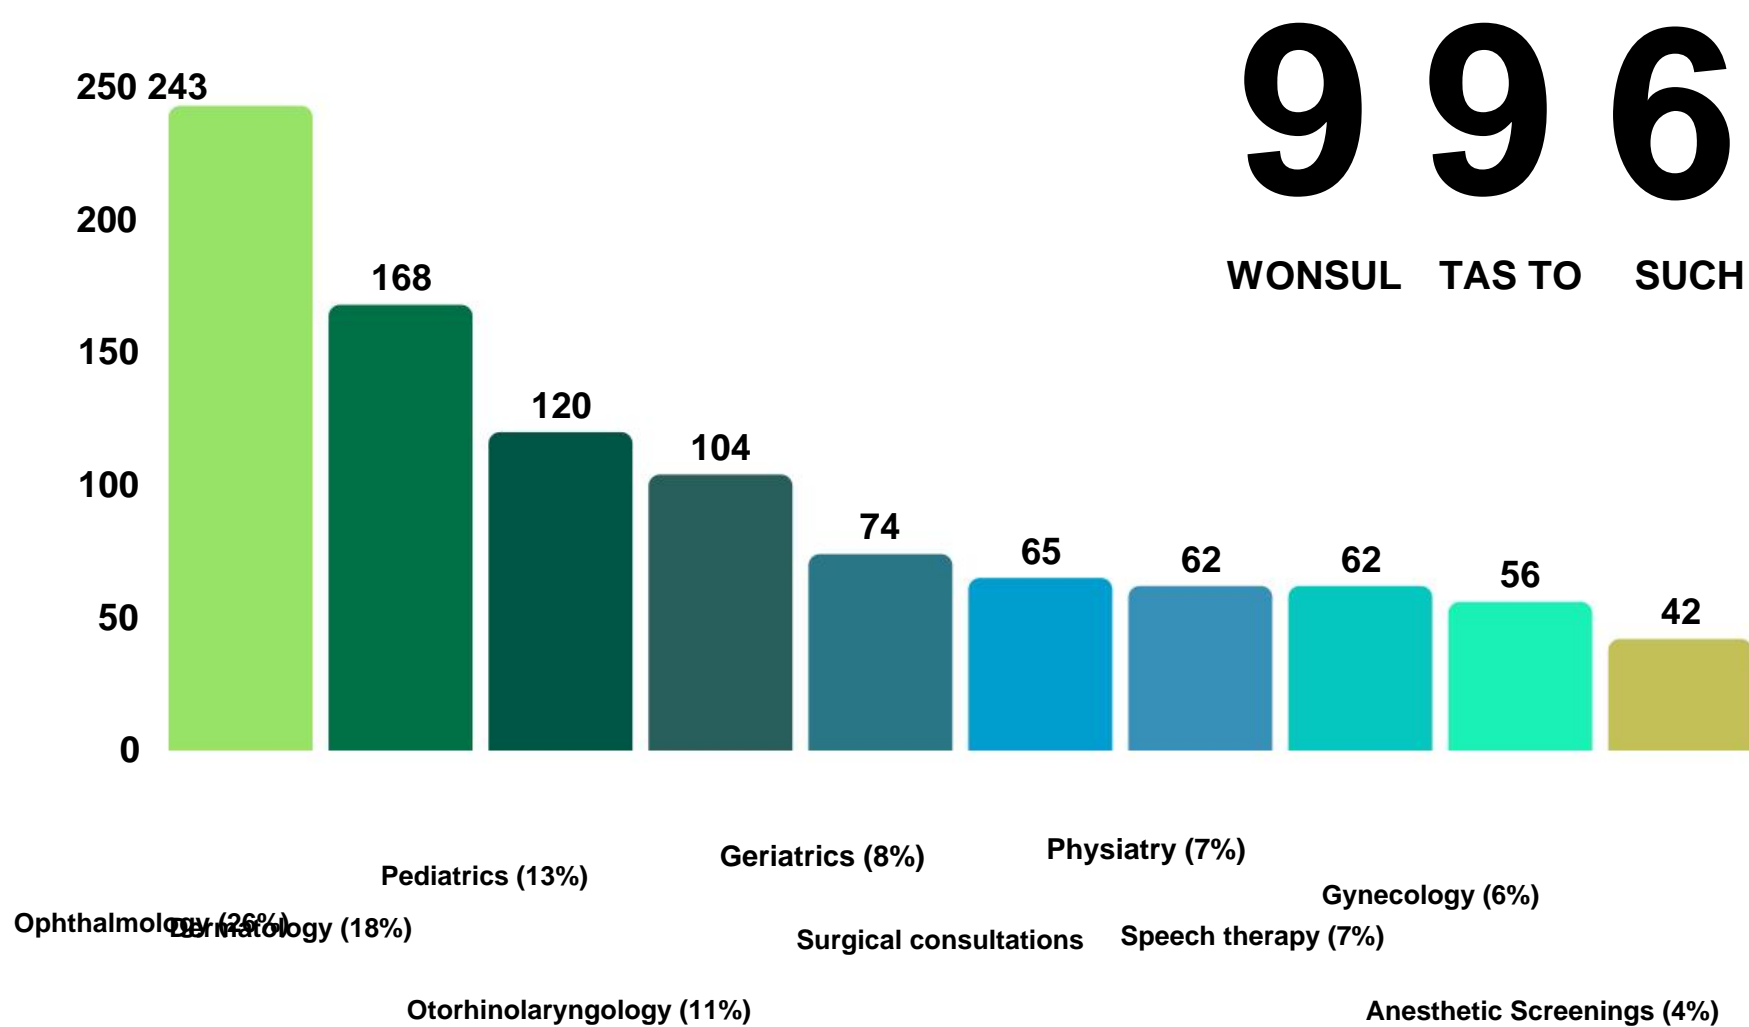

Dermatological surgeries for skin cancer

We took about half a ton of donated equipment and supplies

10 SPECIALTIES MADE CLINICAL CONSULTATIONS

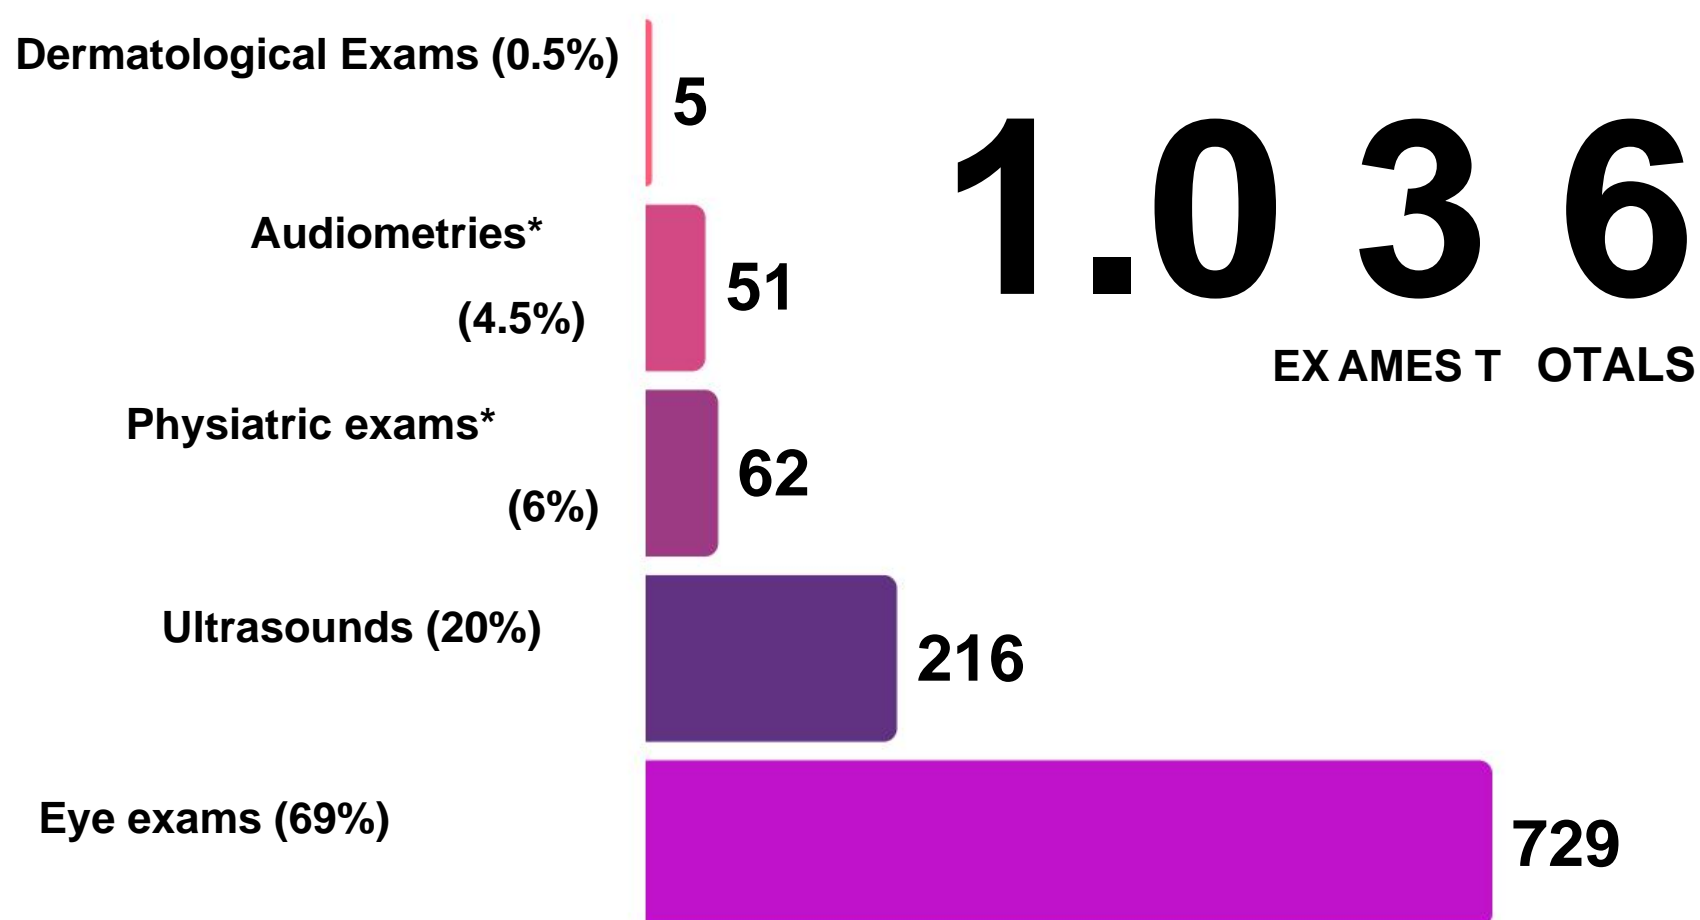

ENT attending a village for the first time

For 9 days we guarantee access to unavailable specialties, relieving pressure on the regional system

WE TAKE EQUIPMENT TO PERFORM EXAMS IN 5 AREAS

*Exams performed for the first time in Zoé's history

173 GLASSES DONATED

- Children returned to school
- Adults returned to work
- Elderly people regained autonomy

Our patients were able to choose which model best suited their personalities.

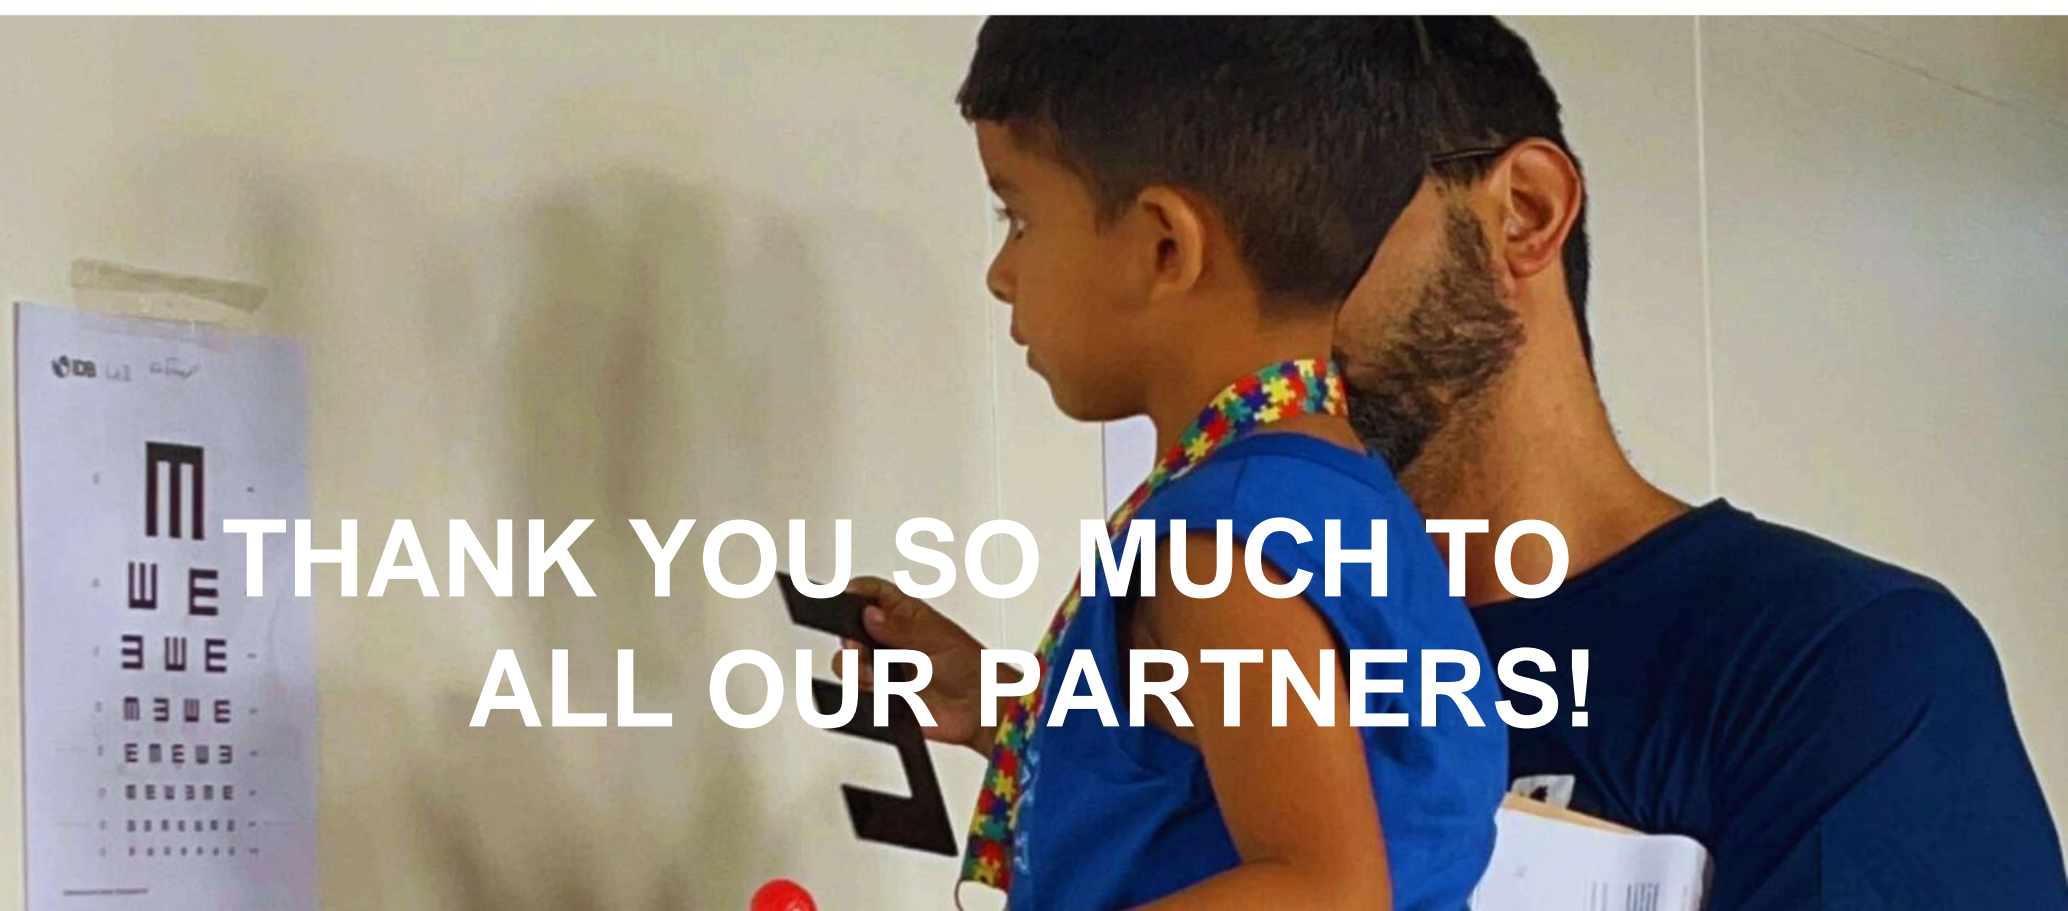

After 1 month of diagnosis, we will return with personalized glasses

WITHOUT YOU THIS WOULDN'T HAPPEN

IT WOULD HAPPEN

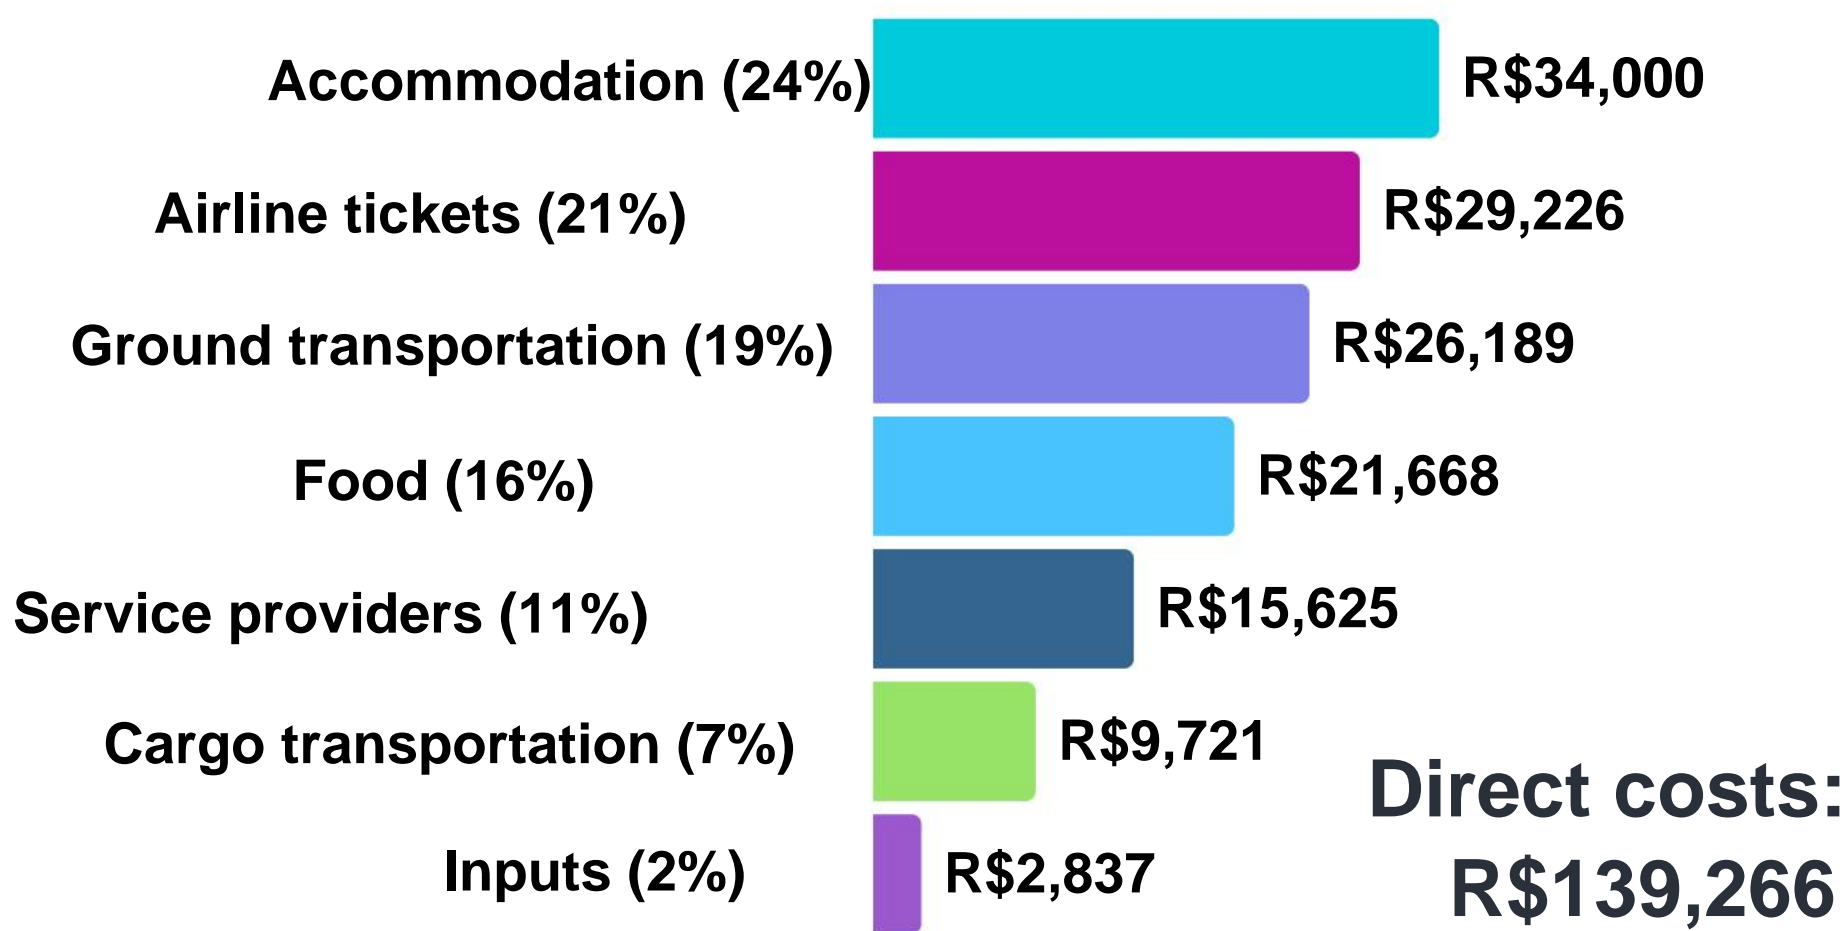

THANK YOU SO MUCH TO ALL OUR PARTNERS!

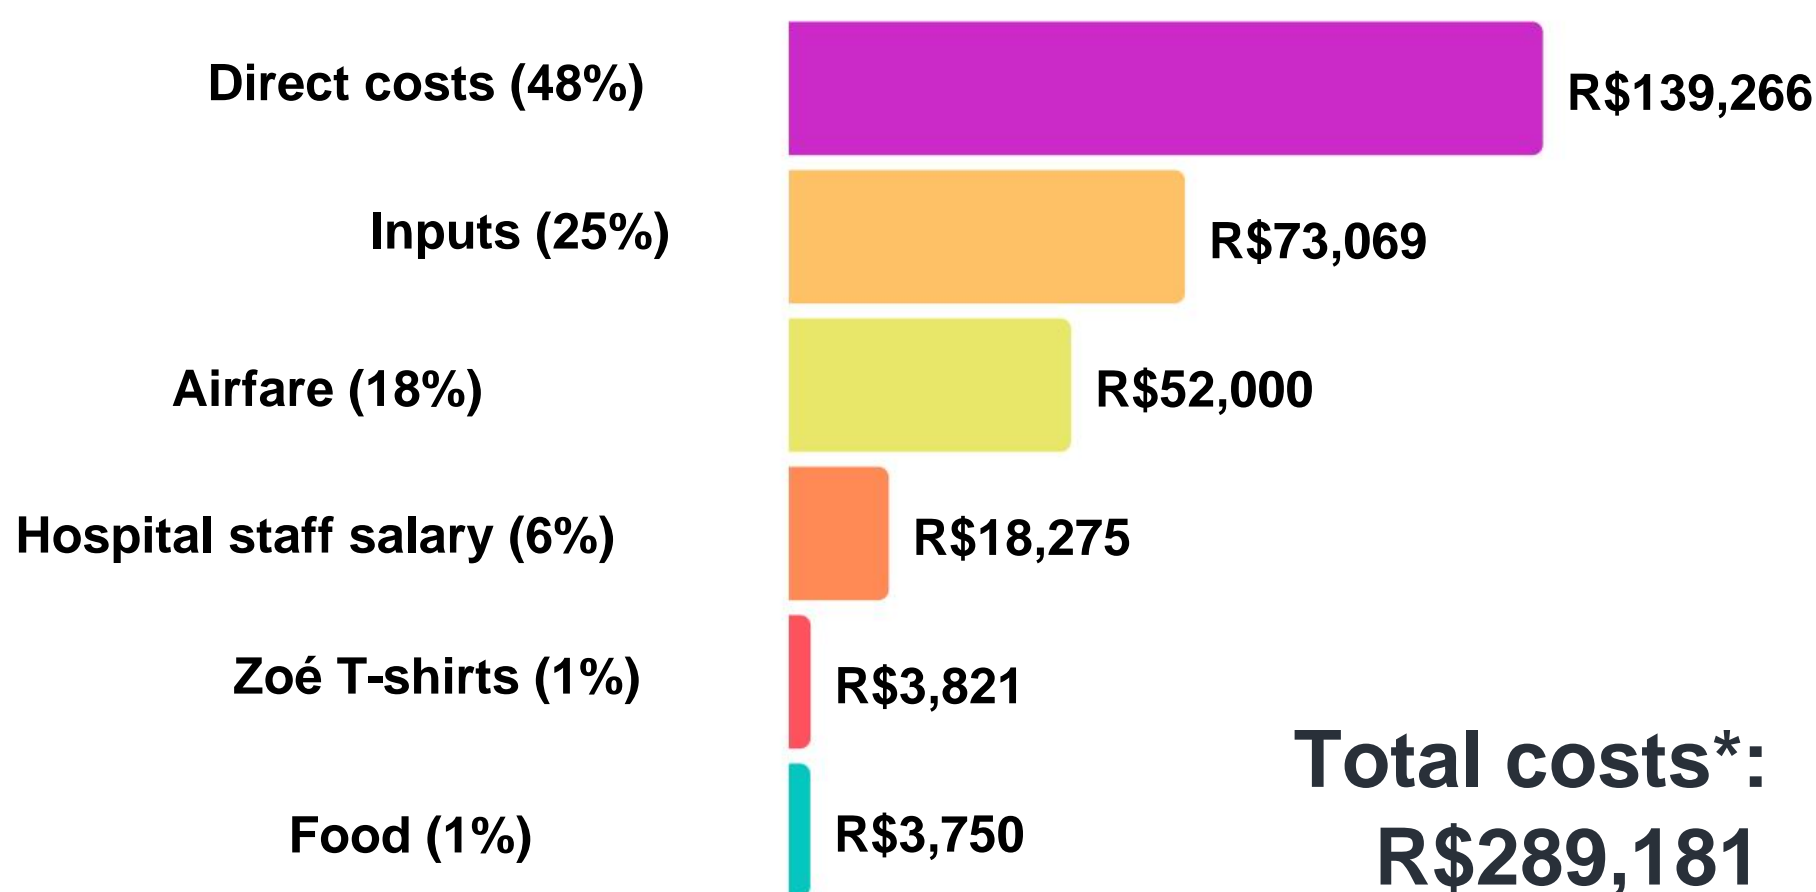

TRANSPARENCY, OUR MAIN VALUE

Two volunteers came from NYU and impressed us by learning how to communicate in Portuguese in just a few weeks!

NOW IS THE SOFTNESS

Every appointment, every surgery, every smile restored is the result of the collaboration of our partners and donors. But there is still much to be done.
