Project Report - SOS Renaissance Community DRC (70607)

October 2025

DEAR DONOR,

We would like to sincerely thank you for your continued support of the SOS Community Renaissance DRC project. Your contribution, although modest so far, makes a real difference in our community.

RECENTLY CARRIED OUT ACTIVITIES

We continued our efforts to improve living conditions in our community, which has been severely affected by the severe humanitarian crisis in eastern DRC. We held several health education and awareness workshops, reaching a total of over 100 people. Our volunteers worked tirelessly to ensure that every participant received the necessary information and support.

UPCOMING EVENTS

We are pleased to announce that we are planning a matching donation campaign in the coming weeks. This event aims to mobilize more resources for our initiatives and strengthen our impact. We will keep you informed of the details and look forward to your participation.

INSPIRING STORIES

Volunteers also engage with our organization by carrying out fantastic volunteer activities wherever they are in their communities. One of our volunteers, Rose NAMUTO BAGAYA, recently shared a moving story about a local child who benefited from our educational programs.

Thanks to your support, this child was able to access the resources that allowed him to advance his education. These stories illustrate the impact of your generosity and motivate us to continue our mission.

Thank you again for your commitment. Your donations play a crucial role in our ability to make positive changes. We look forward to sharing more success stories with you in our upcoming reports.
