

**TO BE A HIVLIFE PARTNER IS
POSIBLE**

"Every 'grain of salt' matters. Let's conquer the silence.

- **40 educational workshops reached schools and workplaces.**
- **4,000 rapid HIV tests were administered with professional counseling.**
- **150 health professionals were trained in comprehensive HIV care.**

Small Acts, Big Transformations

Through Childhood Free of HIV, we are transforming shelters into Homes of Care — safe and loving spaces for both children and women.

**"Break the indifference.
Become a recurring Ally."**

"Together, we build a future
free from silent pain. Be an
Ally."

Thank you!
