Impact: Narrative Survey

“Our time at Vida Verde was unforgettable. It was a new adventure each day. With a kind, patient, and firm staff, they make all kids feel safe, and learning fun. The activities like goat milking, night hikes, camp fire, and wave tag made the experience once in a lifetime for our kids. Every experience will stick with our kids forever. We are forever thankful to Vida Verde for making this trip happen .”

- Classroom Teachers, Kipp Excelencia

Thank you from Vida Verde!
