

Distribution of Tents, Ration, Clothes Alipur Muzaffargarh September 2025

Submitted by
Network for Human and Social Development

Introduction

Network for Human and Social Development (NHSD) is a national organization working for vulnerability reduction of communities and the institutions in Pakistan. It is a bridge between Social and Humanitarian development, a think tank in support of the national disaster risk management programmes in the country and the promotion of disaster risk reduction research and learning through both traditional and scientific education. We focus on capacity building, social mobilization, and empowerment of organizations and communities for the betterment of Pakistan.

It is a nonprofit institution in Pakistan for building capacity of the institutions/communities according to national and international standard to bring together local and international practitioners, professional and researcher of diverse background to pool their expertise and experience in response to high demand for 21st century.

The Network for Human and Social Development (NHSD), in collaboration with Kausa E Kazah Welfare Organization (KKO), Lacompte, Progressity Development Solution, and Reach to Be Heard, has been working tirelessly to provide relief to flood-affected communities in Alipur, Muzaffargarh.

Distribution Details Tents:

Temporary shelters have been provided to families who lost their homes due to the floods, ensuring they have a safe place to stay.

Rations:

Essential food items, including flour, rice, pulses, ghee, edible oil, sugar, and milk, have been distributed to deserving families, helping them meet their basic nutritional needs.

Clothing:

Although specific details on clothing distribution are limited, NHSD's relief efforts have focused on providing essential support to affected communities.

Impact

Flood-Affected Population:

Over 460,000 people have been impacted by the floods in Muzaffargarh, with more than 22,150 individuals being fed daily through government relief efforts.

Organizational Roles

NHSD:

Leading the relief efforts, leveraging their experience in humanitarian response and development projects.

KKO:

Contributing to the initiative, utilizing their expertise in providing support to vulnerable communities.

Lacompte:

Collaborating with NHSD on this project, building on their partnership in vocational training and development programs.

Progressity Development Solution:

Supporting the relief efforts, focusing on sustainable development and community empowerment.

Reach to Be Heard:

Focusing on empowering marginalized communities through this initiative.

Challenges and Future

Directions While the relief efforts have made significant progress, challenges persist in ensuring the affected communities receive sustained support. Continued collaboration between organizations and government agencies will be crucial in rebuilding and restoring livelihoods in Alipur, Muzaffargarh .
