AMRITSAR IS A CITY KNOWN FOR ITS WARMTH, FAITH, AND HUMANITY BUT BEYOND ITS BUSTLING STREETS AND SACRED SPACES, OVER **50,000** OF STRAY DOGS AND COUNTLESS OTHER STRAY ANIMALS STRUGGLE EVERY DAY TO SURVIVE. STRAY ANIMALS ROAM THE ROADS, OFTEN INJURED, HUNGRY, AND OVERLOOKED, WITH NO ONE TO CARE FOR THEM.

INTRODUCTION

ABOUT *Our* MISSION

Thousands of animals in Amritsar are still waiting for help. With over 400 already in our care, we're running out of space. Help us expand Pawsitive Sanctuary and give them the life they deserve.

IN 2018, WE STARTED PAWSITIVE SANCTUARY WITH ONE SIMPLE BELIEF: THAT THESE ANIMALS DESERVE LOVE, CARE, AND A CHANCE TO LIVE WITHOUT PAIN. WHAT BEGAN AS A SMALL EFFORT SOON BECAME A LIFELINE FOR THOUSANDS OF STRAY AND INJURED ANIMALS ACROSS AMRITSAR.

EVERY DOG WE RESCUE, EVERY WOUND WE TREAT, EVERY LIFE WE SAVE BECOMES PART OF OUR STORY AND OUR RESPONSIBILITY.

TODAY, MORE THAN 400 ANIMALS CALL OUR SHELTER HOME. EACH ONE HAS A PAST MARKED BY STRUGGLE, BUT ALSO A FUTURE WE ARE TRYING TO REBUILD WITH COMPASSION.

WE HAVE NOT JUST RESCUED THOUSANDS OF INNOCENT LIVES BUT WE HAVE STERILIZED OVER 5000 STRAY DOGS IN THE PAST FEW YEARS.

BUT THE TRUTH IS, IT'S GETTING HARDER. THE NUMBER OF ANIMALS IN NEED KEEPS GROWING, AND OUR SPACE AND RESOURCES ARE NO LONGER ENOUGH. WE ARE DOING EVERYTHING WE CAN, BUT WE KNOW WE CAN DO SO MUCH MORE.

THAT'S WHY WE ARE PLANNING TO EXPAND PAWSITIVE SANCTUARY. NOT JUST AS A SHELTER, BUT AS A PROMISE. A PROMISE THAT WE WILL PROVIDE CARE AND SHELTER TO ALL THE ANIMALS IN NEED.

PHASE 2

PHASE 2: SHELTER & REHABILITATION SPACES

THIS PHASE FOCUSES ON CREATING SAFE AND COMFORTABLE LIVING SPACES, INCLUDING KENNELS, OPEN DOG RUNS, AND HYDROTHERAPY FACILITIES FOR RECOVERY AND REHABILITATION FOR PARALYZED DOGS.

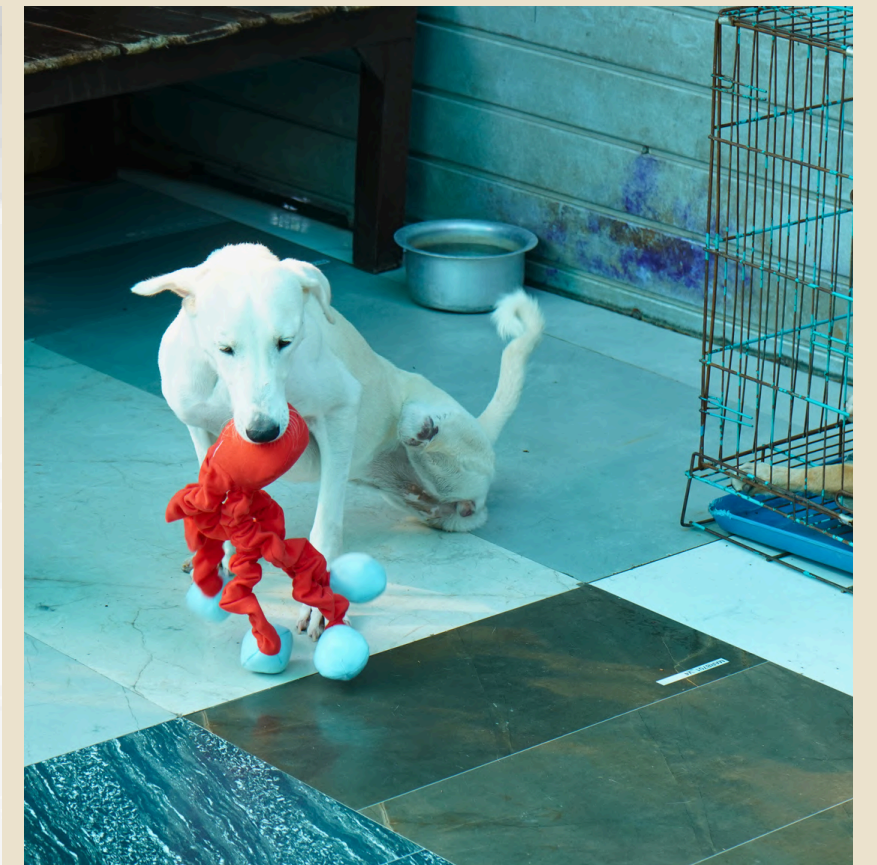

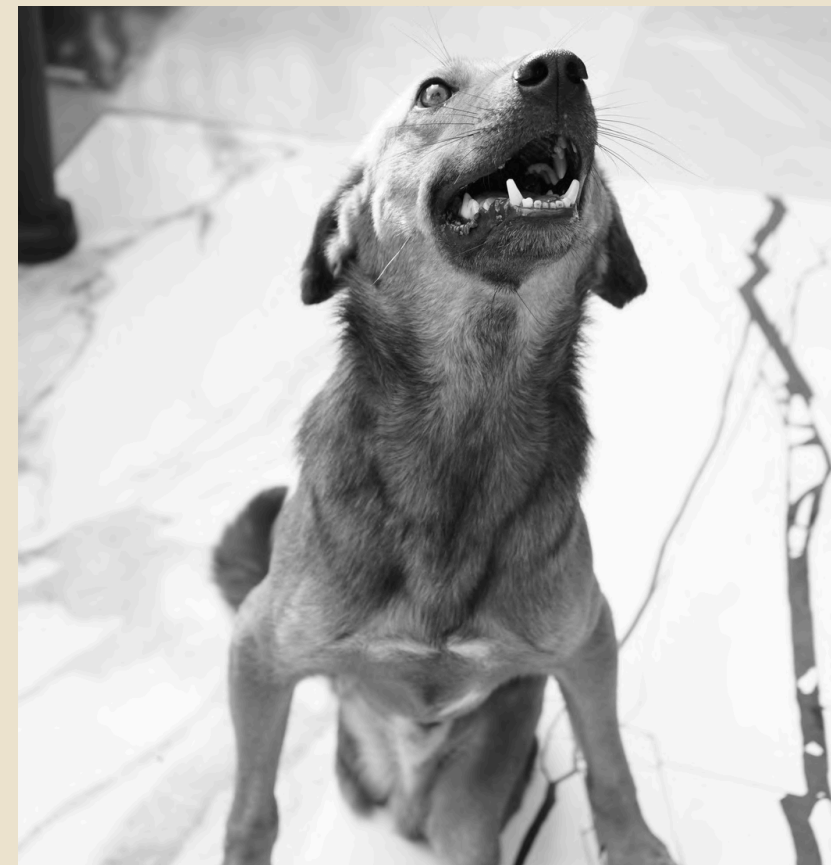

ESTIMATED COST: ₹40 LAKHS (APPROX. \$65,000 CAD)

Current challenges

- ▶ WE ARE CURRENTLY CARING FOR OVER 130 PARALYZED DOGS WHO NEED CONSTANT SUPPORT AND SPECIALIZED CARE.
- ▶ RIGHT NOW, WE DON'T HAVE ENOUGH KENNELS TO ACCOMMODATE ALL THE INJURED AND SICK ANIMALS WHO NEED OUR HELP.
- ▶ OUR CURRENT FLOORING IS HARD AND UNSAFE FOR PARALYZED DOGS, MAKING MOVEMENT DIFFICULT AND UNCOMFORTABLE.

Solutions

- ▶ WE PLAN TO BUILD A HYDROTHERAPY FACILITY TO HELP THEM RECOVER, REGAIN STRENGTH, AND LIVE WITH LESS PAIN.
- ▶ WE AIM TO CREATE A DEDICATED OPEN SPACE WITH SOFT FLOORING WHERE PARALYZED DOGS CAN MOVE FREELY, SAFELY, AND WITH DIGNITY

PHASE 3

PHASE 3: VOLUNTEER LODGE

TO EXPAND OUR IMPACT GLOBALLY, WE AIM TO BUILD A VOLUNTEER LODGE TO WELCOME SUPPORTERS FROM AROUND THE WORLD. THIS WILL NOT ONLY BRING HELPING HANDS BUT ALSO SPREAD AWARENESS AND COMPASSION BEYOND BORDERS.

ESTIMATED COST: ₹30 LAKHS (APPROX. \$50,000 CAD)
