

Giving Circle 2025: The Giving Circle

The Special Foundation

Join the Circle. Transform a Life.

This Giving Tuesday, The Special Foundation invites Nigerians and friends of Nigeria worldwide to come together in radical generosity. Through the Giving Circle, every gift keeps a child in school and part of a community of hope.

What is the Giving Circle?

The Giving Circle is a movement of radical generosity. Families, friends, and workplaces pool resources to keep vulnerable children in school. Every gift joins a larger circle of hope, ensuring no child is left behind because of poverty.
