

PROJECT APPEAL & SUPPORT PROPOSAL

Training Program for Smallholder Farmers in Nigeria

1. Project Overview

Smallholder farmers across Nigeria face major challenges including limited access to modern agricultural practices, poor farm management skills, low productivity, and limited market linkages. This project aims to train 500 farmers across selected rural communities in Nigeria, equipping them with modern skills to increase productivity, income, and food security.

2. Project Goal

To empower Nigerian farmers with practical, high-impact agricultural training that improves crop yield, boosts income, and promotes sustainable agribusiness practices.

3. Specific Objectives

- Train 500 smallholder farmers on modern crop production techniques.
- Introduce climate-smart and sustainable farming practices.
- Improve farmers' knowledge of pest and disease control.
- Strengthen farmers' access to agribusiness opportunities and markets.

4. Target Beneficiaries

The project will directly benefit 500 smallholder farmers, including women and youth farmers across rural communities in Nigeria.

5. Key Activities

- 3-day intensive farmer training workshops
- Training on improved seeds, fertilizer use, and soil management
- Demonstration farm setup
- Business training on marketing and agribusiness management

6. Expected Impact

- Increased productivity and crop yield
- Improved income opportunities for farmers
- Enhanced food security in rural areas
- Strengthened agricultural value chains

7. Budget Summary (Estimated)

- Training materials: \$3,000
- Facilitators and experts: \$5,000
- Demonstration farm setup: \$4,000
- Logistics and transportation: \$3,500
- Monitoring & Evaluation: \$1,500

Total: \$17,000

8. Appeal for Support

We are appealing for financial and material support to implement this life-changing project for Nigerian farmers. Your partnership will empower rural communities, improve food security, and build sustainable livelihoods.

We welcome support in the form of funding, training materials, agricultural tools, seeds, fertilizers, or technical partnership.

9. Call to Action

Your support will directly empower farmers and strengthen agriculture in Nigeria. Join us in making a lasting impact.

Thank you.
