“Ensuring that no one is left behind in the pursuit of a better life.”

Project Summary:

No One Down Relief Organization (NODRO) will implement a 5-year initiative to sponsor 10,000 orphaned and vulnerable children (OVC) across Oromia, Amhara, Tigray, Somali, and SNNPR regions. The project will provide daily nutritious meals, school supplies, tuition support, safe housing, and psychosocial care through community-based centers and local partnerships.

The project will:

- ✓ Provide food and shelter for 10,000+ orphans.
- ✓ Ensure quality education access for 7,500 school-age children.
- ✓ Create 200 child-friendly community care centers.
- ✓ Train 500 caregivers and social workers.
- ✓ Empower 300 youth with vocational skills for self-reliance.

Impact: Empowering orphans to rebuild hope, achieve education, and live with dignity through sustainable community care systems.

Pressing Issue and the Problem:

Ethiopia faces one of the largest orphan populations in Africa due to conflict, disease, and poverty.

- ✓ 4.5 million+ orphans nationwide (UNICEF, 2024).
- ✓ 1 in 8 children faces food insecurity or homelessness.
- ✓ Limited government welfare support for orphans and vulnerable children (OVC).
- ✓ Many orphans drop out of school due to hunger, stigma, and lack of shelter.
- ✓ Increased risk of child labor, street life, and exploitation.

Source: NODRO field assessments (2023–2024), UN OCHA reports, and collaboration with the Ministry of Women and Social Affairs (MoWSA).

Why This Matters:

Without immediate intervention:

- ✓ Thousands of orphans will face malnutrition and homelessness.
- ✓ School dropout rates among vulnerable children will rise.
- ✓ Exploitation, child labor, and gender-based abuse will increase.
- ✓ The poverty cycle will persist through generations.

A single \$10 donation can feed and educate one orphan for an entire month!

How the Project Will Solve the Problems (Solution):

Over 5 years, NODRO will implement a comprehensive community-based care model integrating food, education, shelter, and psychosocial support for orphans and vulnerable children.
