

**WARM WINTER  
DURING THE  
WAR**

## Problem:

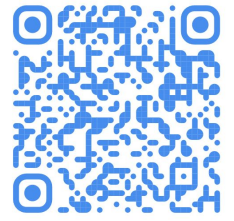

Due to the war and power outages in many regions of Ukraine, children in orphanages, boarding schools, and refugee centers are particularly vulnerable.

**"Warm Winter"** is a charitable program aimed at providing children in orphanages and DBST (family-type orphanages) with warm clothing and technical equipment for a comfortable winter period.

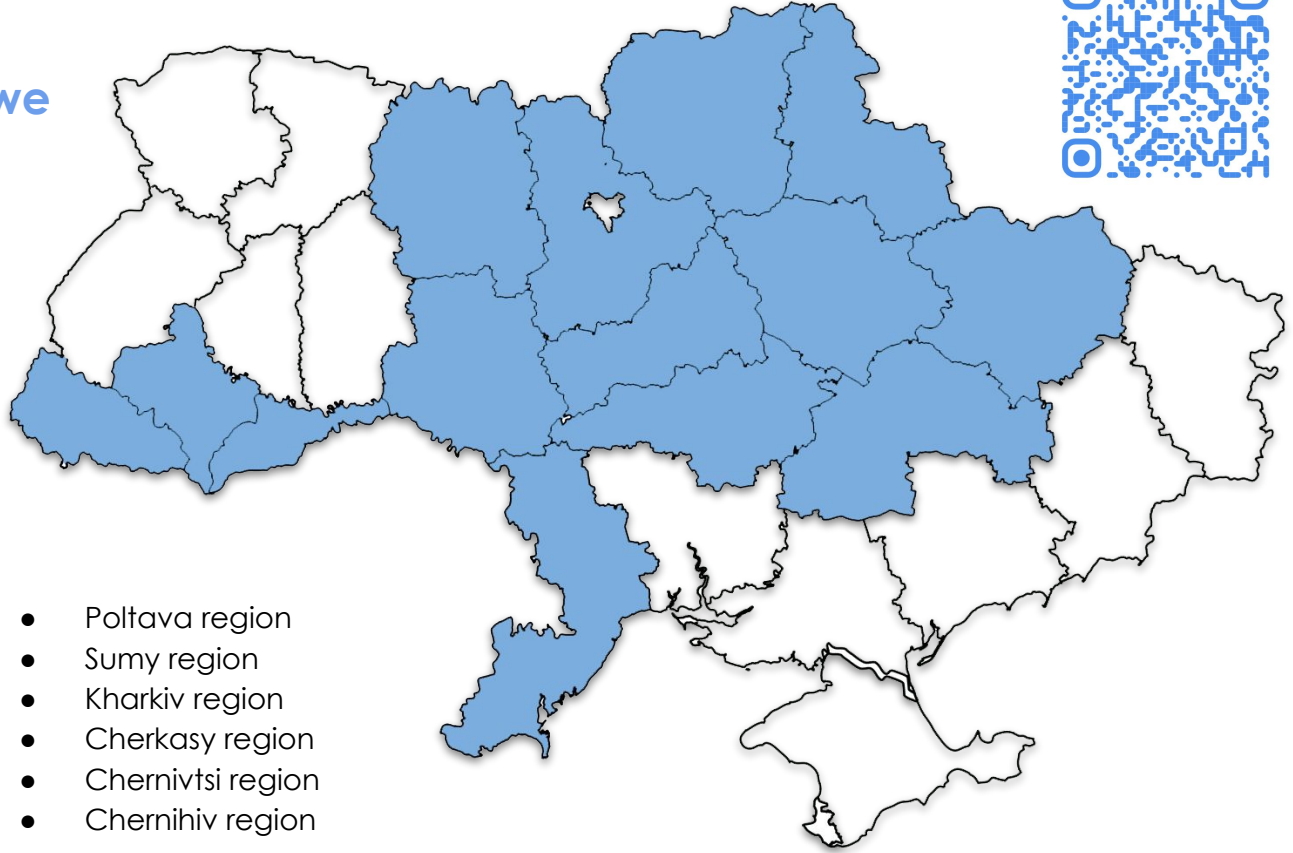

Particular attention is paid to providing during blackouts and power supply interruptions.

## Within the program, we cover:

- 2,394 children
- 16 regions

- Vinnytsia region
- Dnipropetrovsk region
- Zhytomyr region
