Welcome to Eden Edu Care Foundation
"Empowering Rural Communities
through education, godly care and
Love"

OUR IMPACTS

- 2018 till date, we have brought in 292 children back to the formal education system.
- We have helped teenage mothers get back to the school system.
- We have reconnected 4 girls who were trafficked to the western Nigeria back to their families.
- Rescuing children who are being abused and molested sexually and physically.
- Helping children who have to pick metal scraps and work on fields before they can eat.

OUR PROJECTS

- **1. Tuition-Free Education:** We provide free education to out-of-school children, giving them the opportunity to learn and grow.
- **2. Feeding Project:** We provide nutritious meals to our students, ensuring they have the energy to learn and thrive.
- **3. Clothe a Child Project:** We provide clothing and essential items to our students, promoting dignity and self-esteem.
- **4. Love and House a Child Project:** We provide a safe and loving environment for our students, supporting their emotional and social development.
- **5. Psychosocial support** We work with mental health experts to help our children smile daily.

EECF, in the past 7 years has collaborated with parents, Schools, churches, mosques and other organisations such as Value Female Network, Sister's City Nigeria, TrainingforTransformation;South Africa, Child Protection Network Nigeria to advocate, educate and sensitize the children on the streets and the communities on the importance of education and the rights of the child .

We are very intentional about bringing joy to the lives of our teenagers and children and ensuring nothing tampers it.

We are eternally grateful for every one of our Nurturers. Your life shines on us! UBUNTU! we are because you are!
