

# Unlocking the economic potential of women in low income communities through care solutions, skills and capital .

Our vision is a world free from poverty where women are equally valued by their families, communities, and economies.

## Cultivating Tomorrow's Future—Today.

Since 2021, WAF-Kenya a non-profit organisation, has been investing in the potential of women and youth in vulnerable communities to enable them access and build dignified, meaningful, and sustainable livelihoods.-Our mission is built on the premise that **Time is capital .**

We reduce and redistribute unpaid care work through childcare centres and distribution of labour Saving Assets

We equip women with market driven skills and assets /inputs to build climate smart sustainable livelihoods .

Facilitate the formation of Smart savings Groups to protect capital and build a local savings net and advocacy .

We believe that sustained economic empowerment requires solving the dual burden of unpaid care and domestic work for women.
