Founded in 2010, «DUNK GRASSROOTS» is a youth-led, community-based organization empowering children and young people in urban, underserved communities across Accra and Tamale, Ghana.

Driven by a passionate network of board members, management, local project officers, and volunteers from Ghana and abroad, DUNK creates safe spaces where youth can learn, lead, and thrive through sports, education, and culture.

**«Together,
we're building
resilient communities
powered by
empowered youth.»**

Our work is grounded in the UN Convention on the Rights of the Child (Articles 28 & 31), the Sustainable Development Goals, and Ghana's National Youth Policy—strengthening inclusion, equity, and opportunity for every young person.

Our Mission

To create safe and inclusive spaces to empower at-risk children and youth through play and education in underserved communities in Ghana.

Our Vision

To nurture and empower communities in Ghana through sports, education, and development.
