

Dear Sponsor,

How are you doing? I hope everything is fine. My main motive of writing you this letter is to tell you how I have been doing and how I spend my holiday. As for me I am now with my family and I am going to school I am now in grade 12, two my best colours are Red, Blue, Pink and Orange. My best Subjects are Physical and health Education, Civic Education and RME. The thing I like to do best are Drawing and Singing. I spend my holiday time because there was a big Party for all the children and they ask me to come I was happy because I have fun with my brothers and sisters there was food for everyone and there was softdrink too. Thank you for your help that you are giving to me. I love you so much my God bless you and your family I will always pray for you I love you so much
