Our Children's Results in 2011

Dear Sponsors, Friends & Well Wishers,

We would like to share the good news of our children's academic success in the 2010-2011 school year, We supported around 1010 children. Out of them, 99.99% passed in their respective grades and of those, we have 178 children who secured ranks of whom received first, second and third ranks in their respective grades. 16 of them have completed their 10th and 5 of them graduated from their 12th grade. They competed directly with other much more privileged children. With limited resources and a lot of hard work and determination, they have done an excellent job. We are very proud of our children and they will be rewarded with a certificate and a cash award during the annual programs.

We are working diligently with our volunteer teams locally to provide help to those .01% who did not do well. We will give these children a second chance to continue with special developmental programs.

Below is the list of our rank holders. All the cash awards (for LKG-10th) will be donated by **Boggavarapu Foundation from Marlboro, New Jersey**. The sponsor name listed in this is the actual sponsor who is supporting the child. It certainly provides great satisfaction to see one of your sponsored children as a topper in the class. Our wish is that every child reaches that level.
