Dear Sponsors, Friends and Well Wishers

We conducted our annual sponsors meetings in Kiev, Ukraine and in various locations in USA in 2013. Apart from the sponsors programs, we were also invited by many organizations to represent Uplift a Child International and to present about our work. It is always a celebration for all of us when ever we meet with the sponsors and to share everything. Each time we get together, we are growing with inspiration, dedication, support and friendship. Our sponsors are happy with our work as we updated them with a detailed presentation on each and every aspect of our operations in India, USA and other countries. Below are the locations where we had our annual sponsors programs this year.

We had two events this year in **Seattle** area. The first one was held at Microsoft World HQ in **Redmond** on October 4th and the second one at **Bellevue, WA** at Summit Club House. We are thankful to Anwasha & Abhijit Kundu for coordinating both the events with the help of Karuna Ram and other friends.

This was our first event in Washington State and certainly was a great privilege to meet many of our existing sponsors for the first time in 8 years. It was a rewarding experience for all of us.
