### **2016 Uplift a Child New Initiatives in USA**

***June 11<sup>th</sup> 2016 – Fairfax, Virginia, USA***

While living in the United States we have always wanted to do something for our country USA while helping the less fortunate children in India, Congo, Philippines and Nepal. Today, we are very happy to share very special news with our face book friends. We have finally come up with a new chapter which will be impacting the children of USA and significantly changing their lives for a better tomorrow. This idea was actually from a group of high school students from Fairfax, VA. We would like to call them “The Super 5”

Rachana Krishnan, Kurien Thomas, Karishma Srikanth, Elza Thomas, and Nam Kim. We had our first meeting at Priya & Gopal Krishnan’s residence where we spent 2 full hours in brain storming the ideas the group had. Will be putting these ideas into action through Uplift a Child International and guaranteed to impact many lives. Within 3 months, we will be ready and our ideas would be operational. We thank God and thank “The Super 5” team who worked so hard to make this a reality.

## **2016 Career Counseling Event in Visakhapatnam, AP, India**

***May 27<sup>th</sup> 2016 – Visakhapatnam, AP, India***

We had our 2nd Uplift a Child Career Counseling Event on Friday, May 27th at YMCA, Visakhapatnam, AP, India. Our 10th grade Uplift a Child children from all over India have come for the event to attend this 8 hours seminar. We had 4 separate sessions. Session 1 for Civil Services, Session 2 for Medical and Sciences, Session 3 for Engineering and Technology and Session 4 for all others. We had specialists from each category to help our children understand what it takes to get to that level and how much efforts to be spent.

This event helped all our children to plan for their career after Grade 10th. A special thanks to Rotary Club of Vizag Port city for sponsoring and hosting this event 100% with their own resources. Rtn President Mr. Philip Patrick Timothy and his fellow Rotarians of Vizag port city spent months of planning to make this a very successful event in cooperation with Uplift a Child India. Our previous Career counseling program of last year was also sponsored by Rotary club of Vijayawada.

Our main chief guest is a IAS officer (collector of Delhi) Mr. Surender Naik IAS and Dr. Rolland Williams of YMCA was our Valedictory chief guest for the program. The other resource persons for the sessions were, Mr. Satish Valiveti, CEO – Advanced Minds Vizag, Mr. Suresh & team – Careers guidance consultants from Hyderabad and Mr. Samuel Smiles Godi – Consultant on Medical studies. Mr. Sudhakar Kaligithi along with other India Uplift a Child Board members were present for the event supporting the cause. CEO of Uplift a Child International, Mr. Sam Vonumu addressed the students via Skype from USA.

After seeing our program, YMCA of Vizag decided not to charge for the venue expenses as they have seen how Uplift a Child and Rotary Club are together making a difference in to the less fortunate children for their education. Uplift a Child India staff and the local volunteers worked hard coordinating everything leading to the grand success of our event.

## **2016 Maryland Uplift a Child Sponsors Program**

*May 14<sup>th</sup> 2016 – Takoma Park, Maryland, USA*

We had our Maryland Uplift a Child annual program on May 14th @ Takoma Park, MD, USA. It rained and we thought our program might be cancelled. But thankful to the faithful few whom made it in the rain in spite of the bad weather. We prayed for those who could not make it as it was a bad rainy day. It is very important for Uplift a Child to have these annual sponsors programs to update on the work being done and be available for our sponsors with any questions on our operations. Sharing the information and keeping everyone informed on everything is one of the best practices of a good non-profit and we are proud to do that each year at various locations.

## **2016 Results for 10<sup>th</sup> Grade Students in India**

*May 11<sup>th</sup> 2016 – All locations in India*

We are very happy to share the good news of our children's hard work. This year, 71 of our children from all over India have appeared for SSC exams (Grade X) which is a public exam conducted by the State Government. Out of 71 of them, 2 have failed in the exams and 69 of them have passed with very good grades. Out of them, 2 of them got 100% (10/10 GPA) which is a record. Our children compete with all the well to do children at School and for them to get the highest grade at School is really a great honor to all. We congratulate all of our children and thank the volunteers, School staff and the individual sponsors for their help. This is what you see at Uplift a Child. We are a result oriented program making a difference in less fortunate children's lives through our educational support. We are proud of our children as 97.18% of them succeeded. Please click on the pictures to see their names, their grades and the names of the sponsors who helped them sponsor for their education at different locations.
