MESSAGE FROM THE FOUNDERS

Dear Friends & Sponsors,

This year has been a great year again! We are thankful to God for all his blessings on our operations in USA, India, Nepal and Philippines. 16 years of service to humanity is a wonderful thing for Uplift a Child International. 95% of our work is done by volunteers. Our work continues to grow each year. 4,000 children are able to get an education in Schools today because of our commitment, dedication and all of our willingness to go that extra mile to make a difference. True help comes directly from people's hearts and we are proud to see that happen while working with all of our Uplift a Child family..

Our new connections this year are Uplift a Child Canada and Uplift a Child Congo (Africa). Because of a heart touching experience, we have added Democratic Republic of Congo to our network. We have started our help with just 100 children. We had our public relations director from India visit Congo and spend 2 weeks visiting all of the families to make sure they are there, educate them with our goal, inspired and encouraged them. We will be connecting those children to Congolese Americans to support their own children. We are registered locally as "Uplift a Child Congo" in DRC. We have also started our operations in Canada with the help of Vijaya Chavendra from London, Ontario. We are registered as "Uplift a Child Canada Foundation"

We Once again, we left NO child behind for education in our network in 2016. We did face some financial challenges this year. Whether they have a sponsor or not, we still put them through schooling. We take the risk while they get a future. Our sincere thanks to all our sponsors, Board of Directors, Staff, Schools, Volunteers and friends for the tremendous support in our operations! We would have not been successful without their helping hands. Life is a privilege. Let us enjoy it while helping others.

Best regards,

Sam & Rena Vonumu

H H OUR STARS H H

Our Stars are none other than our very own Sponsors and Donors who have been a part of our cause for more than a decade. They are our backbone of our operations. It is because of their commitment, we are successful. 90% of them are individual families who have been donating part of their income to support our children for education. Most of them are normal people who are living a very ordinary life styles and 80% of all our sponsors are from USA and the remaining 20% of them are from India, Ukraine, Germany, Switzerland, Sweden, United Kingdom, UAE, Oman, Saudi Arabia, Singapore, Nepal, Australia and Peru. We are thankful to all of our 750 sponsors from 13 countries. Without them, we will not be able to do anything. Thank you for making a difference with your hard work and contributions.

We are touched about some of our sponsor's dedication towards the cause. They have set up monthly payment plans by transferring a fixed amount so that they can easily support more children.

Child Stars

We have some children this year who have donated all of their **birthday gift** money to Uplift a Child so that at least few children can get a chance to go to School.

IVAN ARVIDAN – October 31, 2016

Ivan is 6 years old from Lawrence, New Jersey. Ivan's mother Aparna heard about Uplift a Child and wanted her son's birthday to be a very special one. She felt that donating the gifts money for a cause is the most special for her son. With the gift money, we are currently supporting a child in the name of Ivan. We are thankful to the family.

At that time, they have heard the life story of the founder on the stage which moved them to make a decision. It did start from the little child and the parent has finalized the decision.

VYSHNAVI KOLLI – October 4, 2016

Vyshnavi is from Houston, Texas. Her parents are part of Uplift a Child since 5 years. She is 9 years and she has done this for the second time in a row donating her birthday money.

She was inspired with our work and has determined to do something. After our program, every Sunday she started going from house to house meeting her friends families by giving a presentation on our cause and was able to connect many families who are now supporting many children for education

Karishma Srikanth

BLOOM is a part of Uplift a Child Initiative to make a difference to the citizens of United States. The idea was founded by Rachana Krishnan, Karishma Srikanth, Kurien Thomas, Nam Hyun Kim and Elza Thomas. These are High School students who have experienced hurdles during their school days and wanted to make a difference to the youth to produce better results during the school days.

Objective: The transition from middle school to highschool can be a period of uncertainty for students unsure of where their passions lie, making it difficult to seek specific opportunities as high school students. The BLOOM Foundation is a community organization run by high school mentors who provide guidance to students by exposing them to a variety of career fields and developing a network amongst peers and professionals. The BLOOM Foundation was inspired to help students discover their potential in areas of interest early within their academic journeys. The BLOOM Foundation strives to facilitate academic opportunity and emphasizes the development of leadership skills and confidence, in order to create independent and vibrant thinkers capable of impacting their local communities.

CANADIAN FAMILY DONATED 1ST BIRTHDAY PROCEEDS

We are thankful to Chavendra family from London, Canada for leading by example. They have been following our Uplift a Child work since 4 years. SADNESS

SANJAY NEUPANE

2016 was a sad year for us as we lost one of our volunteer in Katmanadu. Sanjay Neupane was a board member in Uplift a Child Nepal. We met him in Katmandu in 2013 during our inauguration of Uplift a Child Nepal in Waling. Since then he was a big part of us. He might not be in this world now. But his dedicated service to the children of Nepal through Uplift a Child will remain forever.

OUR CURRENT NEED & VOLUNTEER OPPORTUNITIES

Sponsor a Child

- It costs only \$155 to \$255 per year on an average to support a child in our network. We always have [children waiting for help](#) on our website.
- It costs US \$800 to support a child in the hostel (Includes Lodging, Boarding and Educational expenses)
- \$3,000 is the life time membership which pays for the full 12 years of education (LKG to Grade 10 in India). This offer is only for India.

Sponsor a Meal: This is a onetime donation to feed our children during our annual children programs. We have a need for 6,000 meals each year and would like to invite Food Sponsors. It costs only US \$2.50 per each meal. Below are few suggestions.

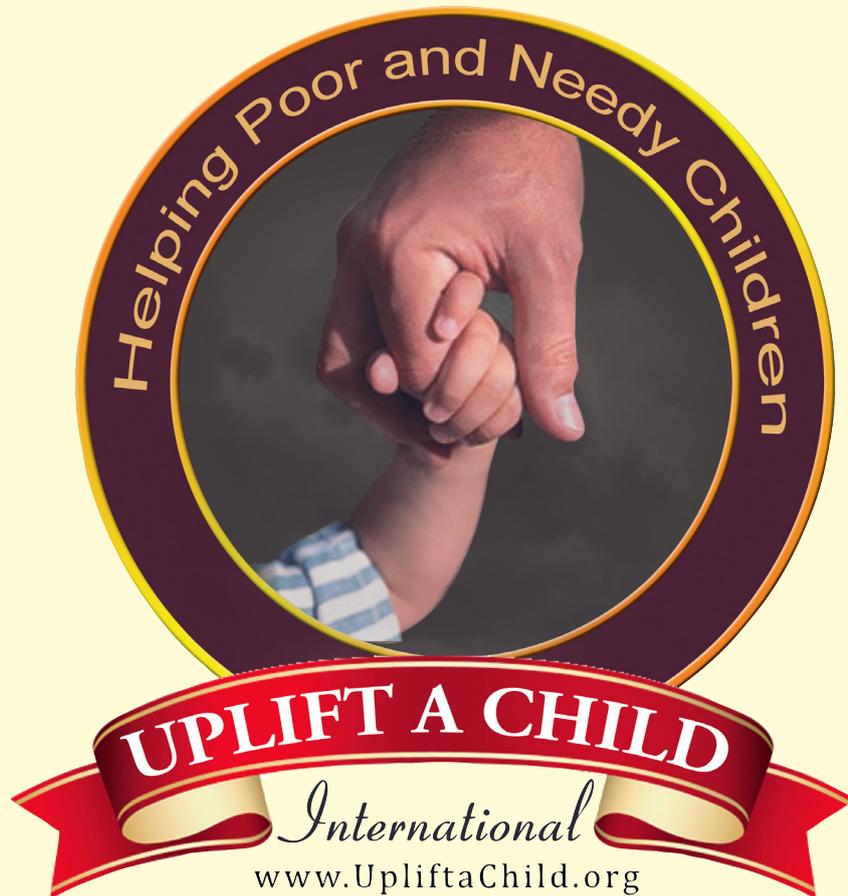

- \$25 will feed 10 children
- \$100 will feed 25 children
- \$250 will feed 100 children
- \$2,500 will feed 1000 children

Dance Schools: We currently have 7 dance schools from 5 states (MD, VA, CT, DE and NJ) who are our partners in charity. We are thankful to their support since 2013. We welcome Dance Schools who would like to do a fundraising show. We will take care of 100% of all expenses and the net profit will go towards sponsoring children in the Dance School's name since it is a team effort.

Walkathon: We are looking for volunteers who can do a Walkathon for Uplift a Child at any time. Walkathon in smaller groups (personal or family walkathons) or Corporate walkathons. It can be either a 5K, 2K or even 1K walk. We will take care of all the expenses associated with the walkathon and also would take care of registration with the county parks, getting insurance, getting T-Shirts for the participants. We now have a walkathon page www.walk.upliftachild.org with a registration form ready and we can customize it according to your plan.
