WIWA Project: Capacity Building & Executive Training Report

Submitted To: GlobalGiving

Facilitator: Professor Casey LaFrance, Western Illinois University

Sponsoring Partner: Agile Enterprise

Delivery Platform: Google Meet (6 hours workshop session)

Workshop Date: 2nd October 2026

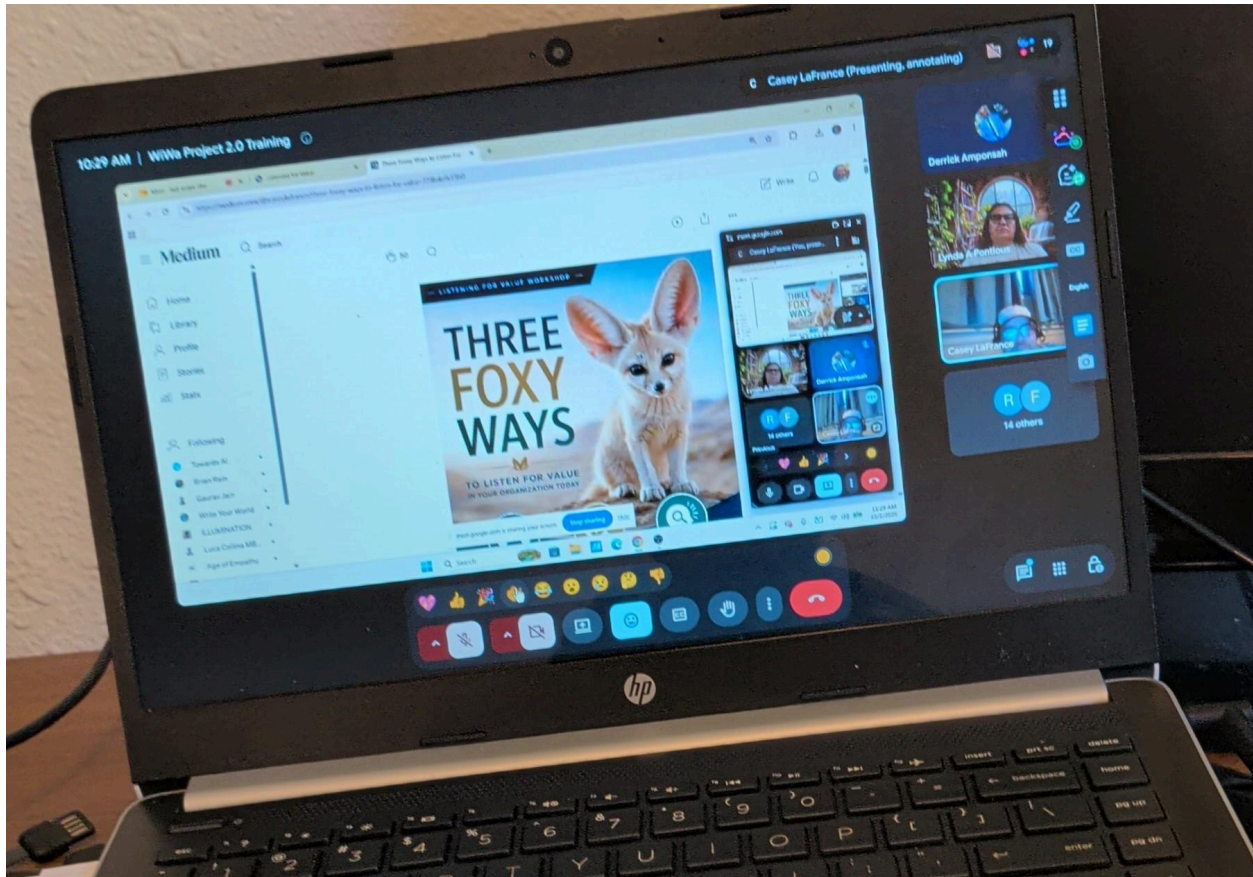

Executive Summary

Through the generous sponsorship of **Agile Enterprise**, the **WIWA Project** successfully delivered a high impact, global professional development initiative. Bringing together 25 participants across 6 countries, this program provided advanced training in strategic listening, systemic diagnostic skills, and project management standards entirely free of cost to the participants and the organization.

Program Components & Financial Value Creation

The training delivered two CPD-accredited workshops along with an internationally recognized professional certification, translating into significant financial value and capability enhancement:

Component / Workshop	Description	Market Value	Status / Outcome
Listening for Value	CPD-Accredited Workshop focused on active value creation, conversation mapping, and overcoming organizational constraints.	\$800 USD	Successfully completed by 25 global participants.
Awakening Readiness	CPD-Accredited Workshop utilizing the Meridian teaching case to diagnose readiness, trust, metrics, and leadership presence.	\$800 USD	Successfully completed by 25 global participants.
Project Business Professional (PBP)	Advanced credentials awarded by the Project Business Foundation for mastering project business principles.	€1,000 EUR	10 participants achieved full PBP Certification.

Total Financial Contribution

- **Value per fully certified participant:** 1,600USD + €1,000EUR(~2,700+ USD)
- **Total In-Kind Value Donated by Agile Enterprise:** Over \$40,000 USD across the entire

25-person international cohort.

Key Impact & Reach

- **Global Representation:** 25 leaders and project professionals participating from **6 countries**, fostering cross-border collaboration and diverse perspectives.
- **Rigorous Delivery:** Delivered online via Google Meet in comprehensive **6-hour sessions**, expert-led by Professor Casey LaFrance.
- **Professional Credentials:** **10 participants** successfully earned their **Project Business Professional (PBP)** credentials, enhancing organizational standards and project governance.

Conclusion & Strategic Outlook

This partnership with Agile Enterprise has significantly elevated the strategic diagnostic and operational capabilities of the WIWA Project network. By removing financial barriers to world class CPD accredited leadership development, our participants are now equipped to apply the *Listening for Value* framework and *Project Business* frameworks directly to their local communities and projects.

We express our sincere gratitude to our donors for supporting our mission, to Agile Enterprise for their full sponsorship, and to Professor Casey LaFrance for his expert facilitation and leadership.
