Greetings from the Chairman

Peace be upon you,
Dear donors blessed by Allah SWT,

It is hard to believe that we have reached the end of 2024. This year is proof that every act of kindness we have done together has brought blessings and benefits to others. We are grateful for your commitment to always accompany BAZNAS in spreading kindness through zakat, infaq, and sadaqah.

Throughout 2024, BAZNAS has strived to present programs that bring hope and real change. In the field of education, various scholarships have been awarded to shape the next generation towards a bright future. Social programs such as (Decent Housing) provide decent housing for our brothers and sisters in need. In the economic field, the Zmart program continues to support small businesses to become more empowered also da'wah, education, and also (BAZNAS Medical Care) which provides health services for those in need.

Not only that, BAZNAS also continues to contribute globally. From 2023 to 2024, more than 56 tons of aid have been sent to our brothers and sisters in Palestine. Alhamdulillah, this aid has benefited more than 400,000 recipients. To date, BAZNAS continues to distribute humanitarian aid, with a total of Rp112.1 billion in aid. This is all clear evidence that our compassion can reach many people and help those in need.

At the end of this year, let us conclude our journey in 2024 with gratitude and welcome 2025 with enthusiasm to spread more kindness. Thank you for your trust and support. May Allah SWT bless all the good deeds we have done with endless rewards and abundant blessings.

Wassalamu'alaikum warahmatullahi wabarakatuh,

Prof. Dr. K.H. Noor Achmad, M.A.
