THE POWER
OF GIVING

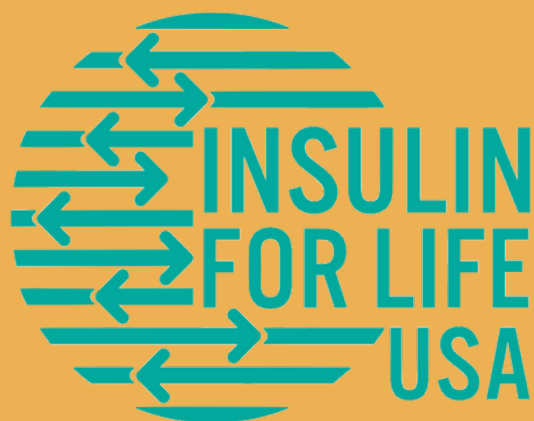

Save
Lives

Insulin For Life USA provides insulin and diabetes management supplies – free of charge – to children and adults in need, exclusively through licensed healthcare providers in the USA and worldwide

HOW CAN YOU SAVE LIVES

- Make financial or in-kind contributions
- Become an IFL USA Ambassador
- Join IFL USA Legacy Society
- Volunteer

LEARN MORE www.iflusa.org

Since 2012, IFL USA has shipped over 277,600 pounds of diabetes supplies, reaching 57,650+ people across the World.

In 2025 alone, we received 4,718 in-kind donations and completed 195 shipments, including 101 in the U.S., delivering 17,600 pounds of life-saving supplies. That includes 16.5 million units of insulin, 364,900 test strips, and 64,000 sensors and pump supply items – kept out of landfills and into the hands of those in urgent need.

Founded in 2012 and based in Gainesville, Florida, Insulin for Life USA - a 501(c)(3) nonprofit organization - is fully licensed to receive and distribute medications and medical supplies. Contributions are tax-deductible in accordance with IRS regulations.
