OVERCOMING THE CONSEQUENCES OF THE WAR

THANK YOU FOR YOUR SUPPORT TO UKRAINE AND INTEREST IN COOPERATING WITH OUR FUND!

Charitable Fund «Pomogaem» has existed since 2009. The main activities of our organization are the support of seriously ill children and their families; orphans and children deprived of parental care; families that adopted an orphan child; persons affected by domestic violence and medical facilities with equipment. Now The Foundation implements 4 areas of activity: Health, Family, Accessibility and We are nearby.

HEALTH

providing targeted care to seriously ill children, providing the equipment to medical institutions, development of laughter therapy and art therapy in medical institutions.

FAMILY

assistance to foster families and family model children's homes, assistance in adoption and placement of the orphans and children deprived of parental care, assistance to graduates of epy boarding schools for orphans, development of creative potential of orphans, regular psychological assistance to families raising a child with a disability, foster families and families affected by domestic violence.

ACCESSIBILITY

creation of a Rehabilitation Center that works with the whole family, taking into account the needs of children with disabilities and their parents, actively involving the local community in the socialization of children with disabilities, increasing tolerance towards them.
