HIGHLIGHTS OF 2010

Heartbreaking to hear how important the support group becomes to many HIV+ people. An exciting opportunity is opening up to minister at Victoria Hospital with the children’s hospital ministry. Eighty children in the community, in an emergency foster home. St Cyprians Retreat have taken on the support of Christine’s home, she is looking after orphans and people living with HIV. St Andrews Newlands have a passion to sustain the food parcel project, giving 300 food parcels for orphans and people living with HIV.

PREVENTION PROGRAMMES

Three teams came together to support the youth education programme at the beginning of the year. The youth leaders become the facilitators and young people are then trained in the programme. The programme currently focuses on HIV/AIDS, teenage pregnancy, and STIs, drugs and alcohol.
