

Repair Classrooms, Restore Hope

Restoring Safe Learning Spaces for 500+ Vulnerable Children in Kolkata

About Tiljala SHED

Tiljala SHED has served marginalized children in Kolkata for over three decades through education, child protection, nutrition, sports and life skills. Our 10 learning centres support more than 500 children.

The Challenge

Leaking roofs, damaged ceilings, cracked walls, peeling paint and unsafe electrical fittings disrupt learning, especially during the monsoon. These centres are often the only safe learning spaces available to children from vulnerable families.

Our Solution

Repair roofs and ceilings, waterproof classrooms, repair walls and floors, improve electrical safety and repaint all 10 centres to create safe, child-friendly spaces.

Expected Impact

- 10 learning centres restored
- 500+ children benefit
- Improved attendance and learning
- Safer, brighter classrooms
- Reduced monsoon disruptions

Activity	USD
Roof & Ceiling Repairs	1,000
Wall & Floor Repairs	500
Painting & Refurbishment	450
Electrical Safety	250
Materials & Transport	300
Total	2,500

Every Gift Makes a Difference

\$25 Repair materials • \$50 Wall repairs • \$100 Roof & ceiling repairs • \$250 Refurbish one centre • \$500 Restore two centres • \$2,500 Restore all 10 centres.

Together, We Can Restore Hope

A repaired classroom is more than bricks and paint—it is a safe place where children can learn, grow and dream. Thank you for investing in brighter futures.
