

rise of
ukraine

The Rise of Ukraine Charity Fund is a team that stands by people every day — where support is needed most.

Our mission is simple yet deeply human: to create a space of care and recovery for those affected by the war.

Where are we?

- 📍 Dnipro is our home.
- 📍 Kyiv is our second base.

And together with partners, we already work in more than 8 regions, including:

- ♥️ Dnipropetrovsk,
- ♥️ Kharkiv,
- ♥️ Kherson,
- ♥️ Kyiv,
- ♥️ Sumy,
- ♥️ Chernihiv,
- ♥️ Zaporizhzhia,
- ♥️ Donetsk.

Since our founding in 2022

11 000

families
received
assistance

14,3

tons of medical
supplies to
20 hospitals

76

humanitarian
missions

2 490

liters of drinking
water to affected
communities in
the Kherson region

270

psychological
and medical
consultations

90

training
groups with over
900 participants
created
at Rise Hub

4800+

children were involved in our outreach activities,
festivals, and holiday events, giving them
support, care, and faith in the future.

Areas of activity

Humanitarian Aid

80+ humanitarian missions

237+ tons of aid delivered

We provide assistance where it's needed most — in frontline, hard-to-reach, and recently de-occupied communities.

Support is also distributed through our HUB, transit centers, and shelters.

Main assistance types:

- food packages
- hygiene items
- NFIs (non-food essentials)
- school supply kits
- winterization materials

We strive to ensure that everyone in need feels care and support - even in the hardest moments.

Support for medical entities

Supporting medical facilities is **one of our key priorities.**

We provide hospitals with essential equipment, medicines, and rehabilitation supplies.

17+ hospitals supported

14+ tons of medical aid and equipment delivered

rise  FOR PEOPLE

Help for children

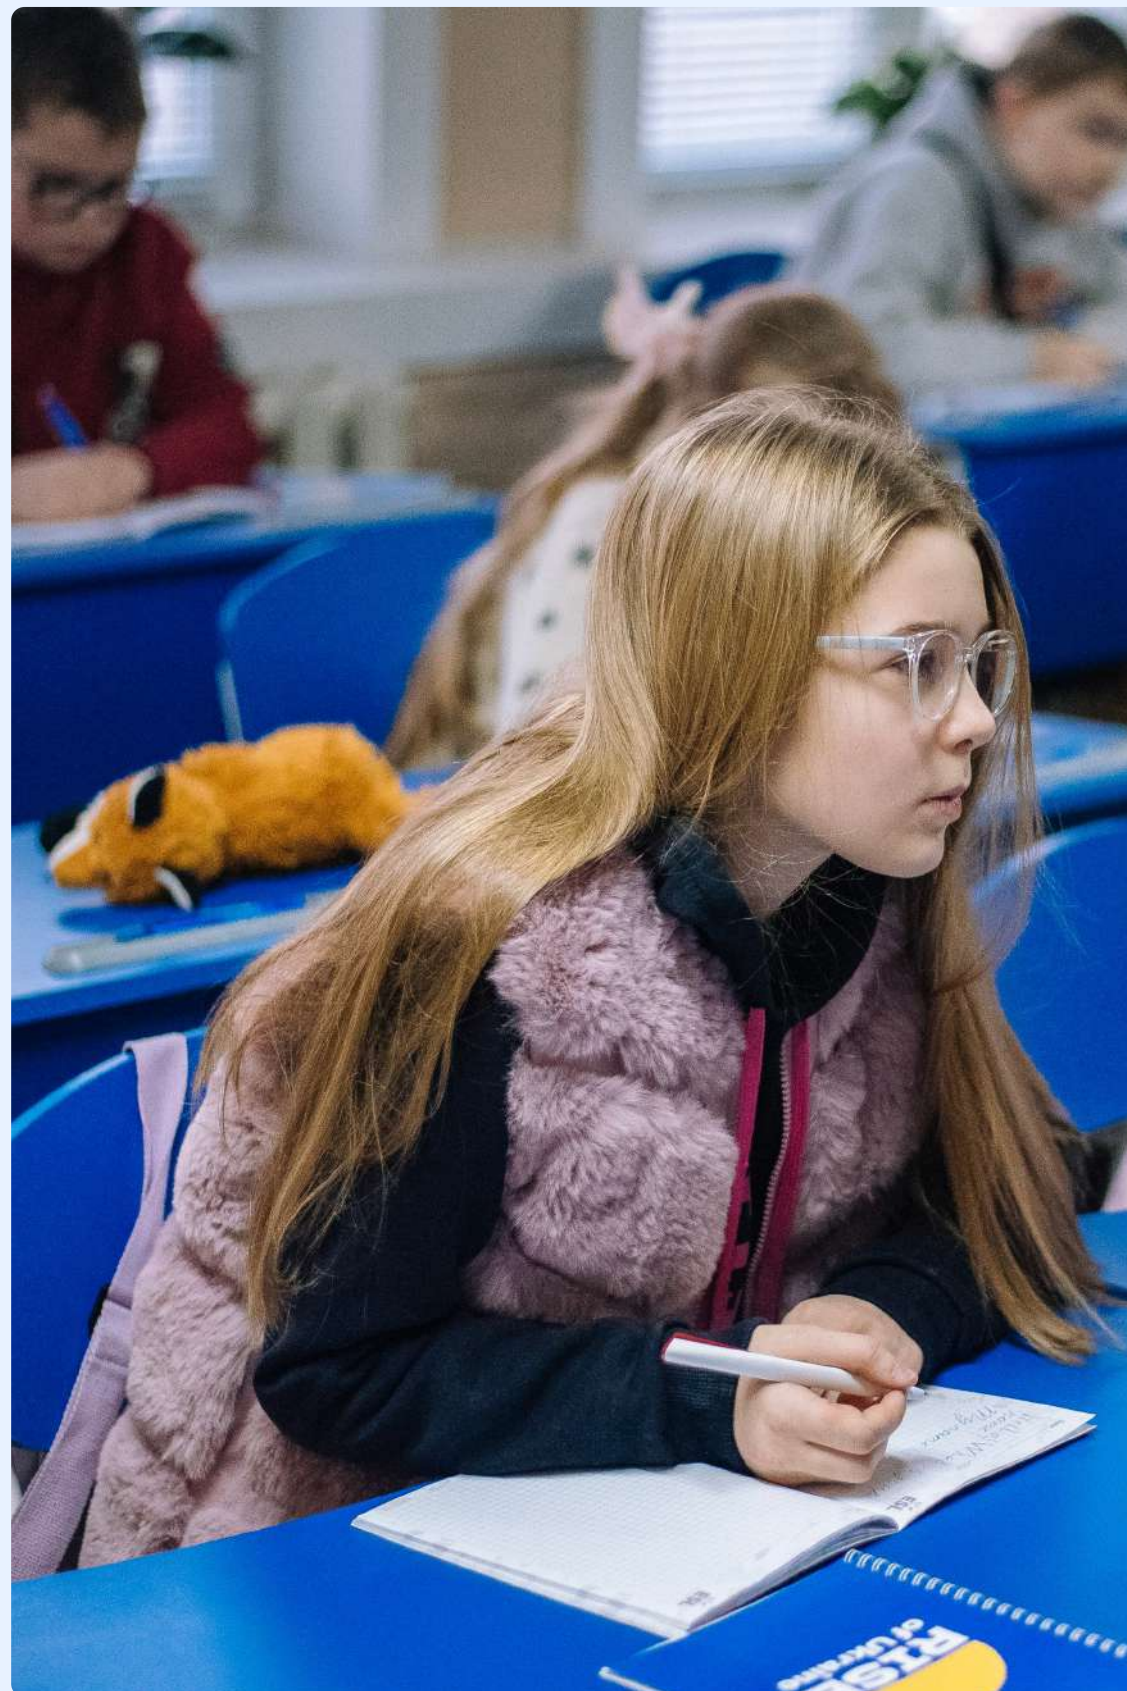

rise  FOR KIDS

We create a safe and inspiring environment where children can learn, recover, and dream again.

Our HUB is a sustainable projects, together with outdoor activities combine education, creativity, sports, and emotional support.

- **HUB Rise** (courses in IT, photo/video editing, illustration, sports, creativity; lectures, masterclasses, psychological counseling)
 - attended by over 1,000 children
- **Outside activities** (movies, quests, creative and sporting events)
 - attended by over 3,000 children
- **Large events** (New Year, Halloween, Children's Day)
 - attended by over 2,101 children
- **Camps** (supported by international donors, local stakeholders)
 - over 125 children
- **Humanitarian aid within the framework of the education cluster** (educational kits)
 - received over 3,000 children

Help for children

rise  HUB

RISE HUB is more than just a space — it's a true home filled with warmth, support, and hope for the future.

Here, people of all ages can learn, recover, dream, and connect with others.

The total area of 350 m² is designed for learning, creativity, recreation, and safety:

- 🏠 **3 classrooms equipped with projectors and interactive boards**, where children attend STEM classes, language lessons, modern educational courses, and creative workshops.
- 🏠 **Art hall with easels** — a cozy space for art therapy, creativity, and self-expression.
- 🏠 **Cinema and workshop hall** — a place for lectures, celebrations, psychological sessions, and friendly gatherings.
- 🏠 **Sports hall**, which also serves as a shelter, hosting yoga, karate, gymnastics, boxing, and self-defense classes, and ensuring safety.

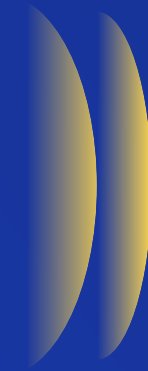

Integration and educational activities

We organize events that help people recover, find new opportunities, and feel part of a community.

We actively engage local businesses, media, authorities, and non-profit organizations - working together to create space for growth, support, and community resilience.

Rebuilding

8+ social infrastructure facilities have been restored, within

kindergartens

shelters

hubs

spaces for IDPs and veterans

Our approach focuses on sustainable solutions that improve the quality of life and strengthen community resilience. Most importantly, it will give Ukrainians the opportunity to live on.

Place of Life (RAZOM)

Arrangement of the temporary accommodation for IDPs in the city of Dnipro

Rebuilding the Dnipro community (HELVETAS)

Creation of a water well and arrangement of the "Point of Invincibility" in the village of Tomakivka (Dnipropetrovsk region)

Rise of Shelter (HIA)

Arrangement of the HUB of the charitable organization "CHILDREN OF THE NEW GENERATION"

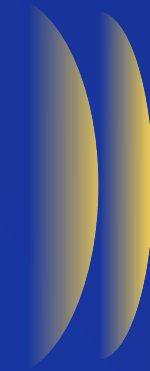

Rise of the Eastern Region of Ukraine (HELVETAS)

Winterization and modernization of the kindergarten premises in the city of Lozova (Kharkiv region)

Rebuilding

Rebuilding

rise  REBUILD

- **RISE: Improving Safety (PSOPs, CIVIC).** Modernization of security infrastructure in the Kochubeyivska community core education institution (Kherson region).
- **Education and Recovery (GIZ).** Construction of 2 specialized rooms for psychological sessions in the Rise Hub and construction of five shelters in community education institutions in the Synelnyk district.
- **Rise for Communities (Право на захист).** Arrangement of specialized spaces equipped with equipment for speech therapy, psychological and correctional and developmental work in the Kryvyi Rih district.

Veterans and their families

rise  FOR VETERANS

We support veterans and their families in reintegration into a civil life.

Our programs include psychological and humanitarian aid, social adaptation, professional development, and rehabilitation.

We **aim** to create a space where every veteran feels strength, dignity, and community support again.

- Training sessions for civilians
- Psychological sessions for veterans' families
- Project ChekaYOUchy
- Portrait of a veteran

Veterans and their families. Future plans:

ReStart
Hackaton

Charity exhibitions in 5 cities of the EU

2023 year:

- Ceske Budejovice, Czech Republic;
- Bratislava, Slovakia;

2024 year:

- Stuttgart, Germany;

2025 year:

- Kiel, Germany;
- Bonn, Germany.

ProstonebaFEST

ProstonebaFEST is a charity festival that brings together thousands of people every year to unite culture, volunteerism, and philanthropy.

Thanks to the festival, we have raised:

- 2023 — 500,000 UAH to establish the Rise HUB for children in Dnipro;
- 2024 — 435,000 UAH for a bionic prosthesis for a veteran (Esper Bionics);
- 2025 — 1,022,287 UAH for two bionic prostheses for veterans (Esper Bionics).

ProstonebaFEST is more than just a music festival — it's a space where culture, tradition, and charity bring Ukrainians together. We celebrate who we are, support those in need, and preserve our identity through music, volunteering, and shared joy.

Over three years, the festival has gathered more than 10,000 guests, becoming a symbol of unity, gratitude, and the unbreakable spirit of Ukraine.

Rise is about a responsible and mutual partnership.
