**"WE GENERATE
STRATEGIES TO MITIGATE
EXTREME POVERTY
THROUGH SOCIAL
SCIENCES AND ART"**

BROCHURE VOLUNTARIADO

WHAT DO WE DO?

**WE EDUCATE AND EMPOWER PEOPLE
THROUGH SOCIAL SCIENCES AND ART**

We claim for the right of people who live in extreme poverty to the street and city; through the formulation and implementation of self-sustainable and innovative pedagogical, social and human strategies, the use of ICTs and the empowerment of leaders in coordination with different entities and social organizations.

WHO DO WE DO IT FOR?

INTERSECTIONALITY

Families who live in tenancy

Family groups that are in extreme poverty and do not have a fixed or own roof.

Homeless people

People who do not have and never had a roof, developing their life in the public space.

Youth at risk of living on the streets

12 to 18 years old minors who are at risk of residing in the streets or who do not have a fixed or own roof.

Children at risk of living on the streets

5 to 11 years old children who are at risk of residing in the streets or who do not have a fixed or own roof.

Volunteers can volunteer with all the groups we work for or with some of the above population groups.

WHERE DO WE DO IT?

LOCATION

Everyday Homeless is a collective that currently works in Medellín, Colombia, especially in commune 10-La Candelaria.

Commune 10-La Candelaria is located in the eastern central area of Medellín, it is part of the urban area of Medellín and it counts with seventeen (17) neighborhoods.

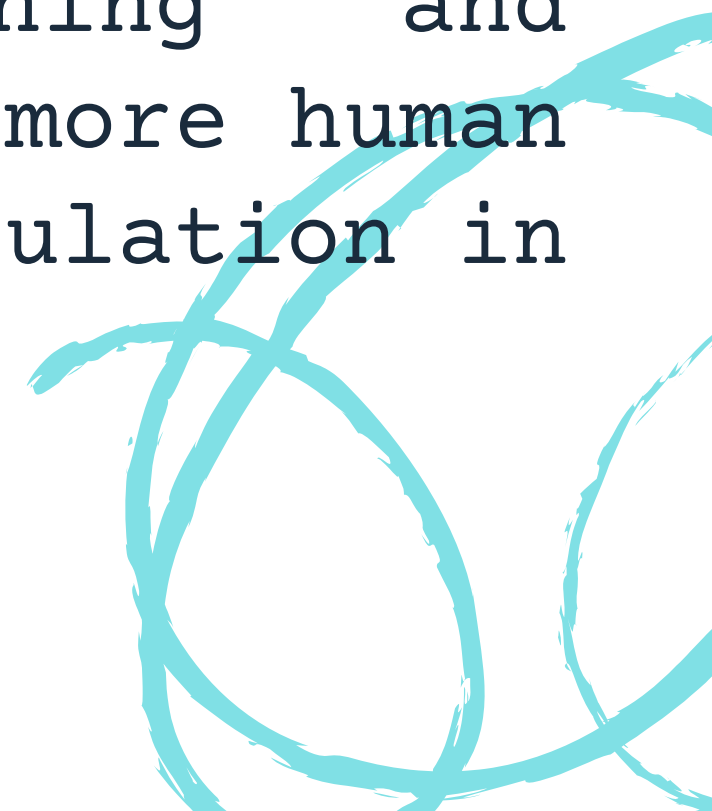

HOW DO WE DO IT?

SOCIAL INNOVATION

Through 5 lines of work, 16 projects and 7 activities that range from art to social sciences, all aimed at promoting processes of visibility, defense of Human Rights and training and research based on a more human look towards the population in extreme poverty.

WHAT IS BEING A VOLUNTEER?

Being a volunteer is a way of belonging and living. First of all, volunteers let us see that they have their feet on the ground, that they are aware of their existence in a community and that they are part of it. Volunteers should be aware that their actions can positively or negatively influence their environment and themselves.

ABOUT OUR VOLUNTEER

Our volunteering is focused on creating a network of volunteers in different areas of knowledge.

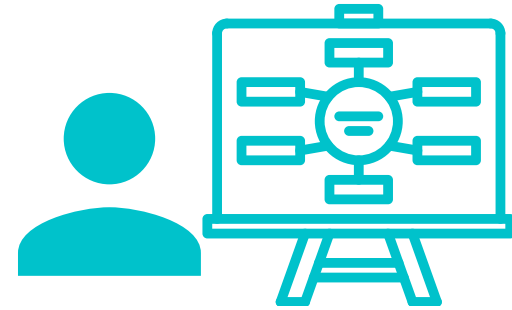

Volunteers who are part of the program donate time and knowledge to strengthen citizenship skills in communities that live in extreme poverty.

And anyone who has the willingness and availability to contribute to our projects and activities to the construction of a better city for the population that is in a situation of extreme poverty or at risk of being so.

WHY IS IT IMPORTANT TO VOLUNTEER?

- Reinforce or create a bond with the community you are volunteering in.
- Volunteers allow a better understanding of the reality of those who live or the problems that exist in that place, since perhaps otherwise we do not see them or do not even imagine that this reality exists. Allows the development of social sensitivity and collaboration
- It develops, integrates or practices diversity, solidarity, understanding, social inclusion, sensitivity, human rights, justice, gratitude, among others.
- Protagonist and agent of social change, the volunteer collaborates to improve the lives of people in a situation or at risk of extreme poverty.

In addition, through volunteers you can make your ideas for change come true thanks to our support in terms of training, projects, activities and alliances.

HOW MUCH TIME IS NEEDED?

3 to 6 contact hours per week

DO YOU WORK AND/OR STUDY?

Do not worry! most of our directors, leaders and volunteers also do it, that is why we have diverse schedules: at night, Saturday and Sunday.

HOW MUCH MONEY NEEDED?

- Money to move to the meeting point and food
- Voluntary monetary or material contribution for snacks for the population that will benefit from the activity you will attend, if you do not have the contribution, there is no problem! If you want you can help by spreading.

HOW DO YOU FIND OUT ABOUT THE SCHEDULES AND DATES OF OUR ACTIVITIES?

The schedules of our activities are posted on our social network or if you are interested, we will add you to a broadcast list through which we will send you the invitation to the activities and the form on a weekly basis.

All our activities ask you to fill out a form that is sent and posted on social media days before the activity to be carried out.

<https://forms.gle/3ES46H352tpWE5pf6>

After registering for the activity through the form 1 to 2 days before, you will be added to a temporary whatsapp group where the activity, meeting points and needs will be discussed.

HOW CAN YOU BE PART OF OUR BASE TEAM?

After three months and at least three attendances per month at our activities, you will be able to obtain certificates that can be used for work and academic terms. You can request this certificate from the directives in advance to analyze your case.

After one year and at least 2 attendances per month, a proactive attitude and aptitude, you can lead or co-lead any of our projects or activities (it can happen sooner)
