transform many lives.

Florence Mwanza

From Scholarship to Impact

For more than three years, Florence Mwanza dreamed of pursuing higher education but could not find financial support. In 2022, Charity Centre for Children and Youth Development awarded her a scholarship to study Agriculture Engineering at the Natural Resources Development College in Rusaka. Florence successfully completed her studies in 2024.

Today, she serves as a field Officer under the Youth Employment and Entrepreneurship Project, responsible for Kalumbila District, where she serves communities and inspires other young people.

Her journey shows that a scholarship can create opportunity, employment, and a future where one young woman can uplift others.
