

Give Her the Tools to Learn

Support girls in Brazil with the learning materials they need to build brighter futures.

A safe place to learn and grow

Girls ages 7–14 access a welcoming environment where they can learn, build confidence and develop new skills.

The right tools make a difference

Books and school supplies help girls keep up with schoolwork, practice essential skills and fully participate in educational activities.

Our goal for 2027

We will support **108 girls** ages 7–14 with learning materials, helping them strengthen their learning and create brighter future opportunities.

A small gift. A real opportunity.

For approximately **US\$ 46**, you can provide one girl with a complete learning kit, including books for Portuguese, English and Mathematics, as well as basic school supplies.
