Introduction & History

Wings Melaka had its beginnings in early 1997 when a group of parents with special needs children met together, hoping to start services for children and adults with developmental disabilities. With the support of Malaysian CARE and the community of churches in Melaka, this project became a reality in October 1998 when **Wings Melaka** launched the Early Intervention Programme.

OUR MISSION

Making a difference in the lives of people with special needs by providing learning opportunities that will enable them to achieve their full potential.

OUR VISION

Reaching, Empowering, Transforming

OUR VALUES

As an expression of God's love, **Wings Melaka** embraces the following values: Compassion, Acceptance, Integrity and Hope.

Early Intervention Programme

For children below 6 years old, who will be

assessed at the Centre. An Individualised Education Plan (IEP) is drawn up for each child, made up of skills that s/he needs to learn from each of the 6 major categories in the curriculum:

- Reading, Writing & Early Number Skills
- Gross Motor Skills
- Language Development
- Fine Motor Skills
- Self Help Skills
- Social Development

School Age Programme

For children aged 5 to 12 years old with learning difficulties, who will usually have been through our EIP; focus is on school readiness to prepare children for formal schooling.

Services

Young Adults Programme

For young adults with developmental disabilities; scheduled to commence in June 2011.

Services

Toys & Resource Library

Provides toys on loan to children with special needs, whether in the current programmes, graduated or waiting for placement, and also relevant resources for parents.

Services

Counselling Services

For parents and other family members of children attending **Wings Melaka**.

Parents Support

Parents support group meetings and coffee sessions are held regularly to provide opportunities for support and friendship, and also empowerment, awareness and training sessions. Speakers include experts in the disability field, other service providers, officers from related government ministries, parents and staff.
