Thank you to KEX for my

Greetings,

My name is Maya ~~██████████~~ and I am a Student Support Staff member at Portland YouthBuilders.

I'm writing to express my gratitude and thanks to the Oregon Lions Sight & Hearing Foundation, and the KEX Kids Fund, for being such a valuable resource for our school and students here at PYB.

The ability to receive eye health services and glasses has been so valuable to so many of our students who would otherwise go without. Thank you.

All the best,
Maya ~~██████████~~
