Instructional Camp for children with special needs**

### **Camp Location**

**9075 Comprint Court, Gaithersburg, MD 20877**

**Gaithersburg, MD 20877**

# CSS Summer Camp Schedule

Days and hours of operation are coordinated with Montgomery County Public Schools extended school year (ESY) schedule . On days off from school, children may be brought to the camp location at 10 a.m. and picked up at 4:00 p.m. On school days, MCPS may transport children on school buses after the extended school year program day is finished. Children may be picked up from the camp location on school days at 6:00 p.m. **As private schools and various MCPS programs have different ESY schedules, the camp will adjust hours for individual children, if possible, upon request & if given adequate notice for arrangements to be made.** Transportation during the camp day to community activities is provided by CSS.

***Please view back for important special information!***

August 20 - August 24		10 a.m. - 4 p.m.

\*Subject to change based on MCPS ESY schedule.

## About the CSS Summer Camp Program

The Summer Camp Program offered by CSS is designed to meet each child's individual needs, interests, and preferences.

The program is highly structured with a full schedule of activities each day. The daily schedule is developed with input from each child's family, teachers, and the CSS Children's Program Directors.

Children are placed in small groups for activities, including their staff, to take full advantage of social skill opportunities and interaction with similar aged peers. Children then participate in a combination of on-site activities at our resource center and various community activities.

### What kind of activities do the kids participate in?

- Community-based recreational activities such as outings to local swimming pools, gyms, bowling alleys, miniature golf, arcades, county fairs and festivals, Sugar Loaf Mountain, the National Zoo, museums, playgrounds and local and National parks.
- Activities at our resource center such as gym time, sport drills, arts and crafts, group board and card games, relay races, and other therapeutic, recreational and leisure activities in groups of their peers.

### How is supervision handled?

- Children are provided supervision on a 1:1 or 1:2 staffing ratio by trained CSS staff, depending on the child's need. All staff are trained to provide support, individualized instruction and behavior management for children with developmental disabilities. Staff are supervised by two experienced on-site supervisors and a Master's level behavior specialist.

### What would my child need to bring?

- Children are required to bring a bagged lunch or lunch/snack money, swim suit, and a towel. Other suggestions are sunscreen, hats, and other weather necessities. CSS provides water & snacks daily as well.
