

Thank you to KEX for my
Fm. recharger. Now I am happy
because I can hear my friends
and teachers talk.

Greetings,
My name is Maya [redacted] and I am a Student Support
Staff member at Portland YouthBuilders.

I'm writing to express my gratitude and thanks to
the Oregon Lions Sight & Hearing Foundation, and the
KEX Kids Fund, for being such a valuable resource for
our school and students here at PYB.

The ability to receive eye health services and glasses
has been so valuable to so many of our students
who would otherwise go without. Thank you.

All the best,
Maya [redacted]
