## JANUARY 2008 REPORT

### NEWS:

January marked the beginning of our financial year and our school year.

Stephen Lewis Foundation honored its pledge to support this year's budget with 132,910,000 (Ugandan Shillings).

Nyaka was fortunate to be able to participate in the Nyaka Eire concert that took place and was organized as a fundraiser for supporting Nyaka children. For media coverage, see the links on our website:

Both school headmasters attended computer training and gained skills, which will be extremely helpful in their teaching and to our organization.

Three teachers also attended a one-week workshop on thematic curriculum organized by the District Education Office.

A one-week TOT workshop was conducted for the grannies where two representatives attended from each sub-county. These representatives will conduct similar workshops in their respective communities to train other grannies in the various topics covered. The following are some photos from the workshop:

#### VOLUNTEERS/GUESTS AT NYAKA:

Nyaka received several important guests during the month. Mr. & Mrs. Auld, who have been spearheading campaigns to construct Kutamba buildings, arrived in country with Brittany Linville. Brittany is a volunteer working extremely hard to help improve our pupils' English skills and is also giving our teachers computer lessons.

The mission team from Sherwood Oaks Community Church in Indiana, led by Pastor Brad Pontius, spent time learning about the Nyaka community and interacting with the children. This valuable time has strengthened the relationship between the church and the Nyaka community. The volunteers from the mission team participated in the construction of the kitchen and assisted in making repairs on the road between Zeituni Church and Nyaka.

### GROUNDBREAKING CEREMONY AT KUTAMBA SCHOOL

Sincere, a member of the team, taught pupils a number of songs and dances. They also participated in the ground breaking ceremony at Kutamba School and toured the current campus. The group was amazed with what is taking place, especially in the presence of the children.
