DARING TO DEFY BARRIERS LEARNING DISABILITY AND THE VISUAL ARTS

Please join PIP for a drinks reception and private view of this unique and thought-provoking collection of work by artists with learning disabilities.

This one-off exhibition and sale is being curated by the Guardian Gallery and Pursuing Independent Paths (PIP), a charity supporting adults with learning disabilities to achieve their potential. Proceeds will help fund PIP's ongoing creative arts projects.

We will also be unveiling an inspiring selection of photography and stories that show PIP students as they defy the barriers faced by people with learning disabilities.

Guests will have the opportunity to meet some of the artists and explore their artistic inspirations and motivations.

We hope you will be able to join us and invest in some wonderful original artwork in support of PIP.
