

SIA Homework 3

Go to the [GG Rewards Section](#) of your dashboard and find the learning cycle that relates to this webinar: Social Impact Academy – Webinar 4: Involving Community Feedback in your Monitoring & Evaluation - and complete the learning cycle using the instructions below:

- Listen: Watch webinar 4 of the Social Impact Academy on “Involving Community Feedback in your Monitoring & Evaluation”
 - Act: Complete [this worksheet](#) on designing a feedback system and ask for feedback on your work from a peer or stakeholder.
 - Learn: Revise your work with community feedback and upload a final version of the worksheet.
-
-

Step 1 - Complete (1 Points)

Listen: Watch the webinar, “Involving Community Feedback in your Monitoring & Evaluation.”

Step 2 - Complete (2 Points)

Act: Using the worksheet above, complete a plan to design a feedback system for one of your programmes and ask for feedback from a peer or stakeholder. Upload the draft, including the feedback you received, or simply upload the draft and type the feedback in the box provided in the learning cycle.

Step 3 - Complete (3 Points)

Learn: Revise the original draft and upload your new version, or, in the box provided in the learning cycle, describe the areas where you have made changes based on their feedback.
